# APPROVAL OF AN AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK OF THE COMPANY

## Approval of the Amendment

The Board approved the Amendment on May 12, 2015, and the holders of a majority of the voting power of our stockholders have approved the Amendment on May 18, 2015, to increase our authorized shares of Common Stock from 50,000,000 to 100,000,000. The increase in our authorized shares of Common Stock will become effective upon the filing of the Amendment to the Articles with the Secretary of State of the State of Nevada. We will file the Amendment to effect the increase in our authorized shares of Common Stock approximately (but not less than) 20 days after the definitive information statement is mailed to stockholders.

## Outstanding Shares and Reasons for the Amendment

Since the Company's inception as Parametric Sound Corporation in June 2010, the Articles have authorized the Company to issue a maximum of 50.0 million shares of Common Stock, par value \$0.001 per share. Immediately prior to the Merger (as defined below under the heading "Recent Change of Control") in January 2014, there were approximately 7.3 million shares of Common Stock outstanding. In January 2014 we issued approximately 30.2 million shares of Common Stock to the former holders of VTBH stock as consideration for the Merger, which immediately reduced the number of authorized but unissued shares by more than 70%. In April 2014, we sold an additional 4.0 million shares of Common Stock in an underwritten public offering. As a result, as of the Record Date, we had approximately 42.1 million shares of Common Stock issued and outstanding. We are additionally authorized to issue up to 1,000,000 shares of Preferred Stock, none of which are issued and outstanding.

The Board believes that the increase in our authorized Common Stock will provide the Company greater flexibility with respect to the Company's capital structure and that it is in the Company's best interest to have additional shares of common stock authorized for general corporate purposes, including acquisitions, establishing strategic relationships with other companies, the issuance of shares upon conversion of existing or future equity derivative securities, expanding the Company's business or product lines through the acquisition of other businesses or products or delaying or preventing a change of control. If the Amendment were not approved, the Company's ability to engage in these types of transactions would be severely limited or delayed.

## Effects of the Amendment

The additional shares of Common Stock will have the same rights as the presently authorized shares, including the right to cast one vote per share of Common Stock. Although the authorization of additional shares will not, in itself, have any effect on the rights of any holder of our Common Stock, the future issuance of additional shares of Common Stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing stockholders. It is possible that some of these additional shares could be used in the future for various corporate purposes without further stockholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other quotation system on which our securities may then be listed. These purposes may include: raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, and expanding the Company's business or product lines through the acquisition of other businesses or products.

The above description of the Amendment is qualified in its entirety by the actual text of the Amendment, which is set forth in [Appendix A](#) (subject to any changes required by applicable law) to this information statement.

## CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Information Statement mentions our intention to carry out the Amendment. However, our Board may elect, in its sole discretion, to abandon the Amendment at any time. We caution you not to place undue reliance on the fact that we may carry out the Amendment. We do not intend to provide any update with respect to the status of the Amendment unless and until they become effective.

## **NO DISSENTER'S RIGHTS**

The corporate action described in this Information Statement will not afford to any of our stockholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their stock.

## **INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON**

None of our officers or directors, and no person associated with any of them, have any interest in the Amendment that is different from every other stockholder.

## **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

Under the Nevada Revised Statutes and our bylaws, the affirmative vote of the holders of at least a majority of the outstanding stock entitled to vote thereon is required to approve the Amendment. As of the Record Date, 42,147,238 shares of Common Stock were issued and outstanding. Each share of Common Stock entitled the holder thereof to one vote on the Amendment. We obtained the approval of the holders of a majority of the outstanding shares of our common stock on May 18, 2015.

## **RECENT CHANGE OF CONTROL**

On January 15, 2014, the Company completed the merger (the "Merger") of its wholly-owned subsidiary, Paris Acquisition Corp., a Delaware corporation ("Merger Sub"), with and into VTB Holdings, Inc., a Delaware corporation ("VTBH"), in accordance with the terms and conditions of the Agreement and Plan of Merger dated August 5, 2013 among the Company, VTBH and Merger Sub (the "Merger Agreement"). As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company, and the Company issued to the former holders of VTBH common stock and Series A Preferred Stock an aggregate of 30,227,100 shares of Common Stock. In addition, in accordance with the terms of the Merger Agreement, all outstanding options to purchase shares of VTBH common stock were converted into options to purchase shares of Common Stock and were assumed by the Company (the "Converted Options"). These newly issued shares of Common Stock, together with the Converted Options, represented approximately 80% of the total issued and outstanding shares of Common Stock, on a fully-diluted basis, immediately following the Merger.

The issuance of shares of Common Stock to the former holders of VTBH common stock and Series A Preferred Stock resulted in a change of control of the Company. The names of the former VTBH stockholders that received Common Stock in connection with the Merger are listed below in the Section entitled "Security Ownership of Certain Beneficial Owners and Management."

For additional information about the Merger, see the Company's Definitive Proxy Statement on Schedule 14A for the special meeting of stockholders held on December 27, 2013, a copy of which was filed with the Securities and Exchange Commission (the "SEC") on December 3, 2013.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our Common Stock as of the Record Date for (i) each person who is known by the Company to own beneficially more than 5% of the Common Stock, (ii) each of the Company's directors and executive officers and (iii) all of the Company's directors and executive officers as a group. Other than as set forth below, we are not aware of any other stockholder who may be deemed a beneficial owner of more than 5% of our Common Stock.

Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within 60 days after May 18, 2015 are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person. Unless otherwise indicated in the footnotes below, we believe that the persons and entities named in the table have sole voting or investment power with respect to all shares beneficially owned, subject to community property laws where applicable.

Unless otherwise indicated, the principal address of each of the persons below is c/o Turtle Beach Corporation, 100 Summit Lake Dr. Ste 100, Valhalla, NY 10595.

- (1) As used in this table, beneficial ownership means the sole or shared power to vote or direct the voting of a security, or the sole or shared power to dispose, or direct the disposition, of a security.
  - (2) Percentage ownership is based upon 42,147,238 shares of Common Stock outstanding as of the Record Date.
  - (3) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 1,665,634 shares of Common Stock.
  - (4) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 127,740 shares of Common Stock.
  - (5) Includes 1,016,036 shares of Common Stock held by the Doornink Revocable Living Trust, dated December 17, 1996, as amended (the "1996 Trust"). Mr. Doornink and his wife are the co-trustees of the 1996 Trust, and, as such, Mr. Doornink may be deemed to share beneficial ownership of such shares. Mr. Doornink expressly disclaims beneficial ownership of any such shares except to the extent of his pecuniary interest therein.
  - (6) On January 27, 2014, SG VTB Holdings, LLC ("SG VTB"), the Ronald Doornink 2012 Irrevocable Trust dated November 30, 2012 (the "RD 2012 Trust"), the Martha M. Doornink 2012 Irrevocable Trust dated November 30, 2012 (the "MD 2012 Trust"), the 1996 Trust, Carmine Bonanno, Frederick Romano, Michael Rowe and Amie Rowe (collectively, the "Stockholder Group") jointly filed, and on May 22, 2014 filed an amendment to, a Schedule 13D (the "Schedule 13D") with the SEC. The Stockholder Group made a single, joint filing to reflect the formation of a "group" within the meaning of Section 13(d)(3) of the Exchange Act. Pursuant to a Stockholder Agreement, dated August 5, 2013, as amended, by and among the members of the Stockholder Group (the "Stockholder Agreement"), the Stockholder Group has agreed to aggregate their voting power with respect to the election of directors of the Company that have been designated by SG VTB. As a result of the Stockholder Agreement, SG VTB and Mr. Fox (in his capacity as the sole manager of SG VTB) may be deemed to share beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of, and to share the power to vote or direct the vote of, 29,773,180 shares of Common Stock held, in the aggregate, by the Stockholder Group. In order for a member of the Stockholder Group other than SG VTB or Mr. Fox (each other member, a "Non-SG Member") to be treated as having or sharing beneficial ownership of securities held by any other member of the Stockholder Group, evidence beyond formation of the group under Rule 13d-5(b) would need to exist. Since the Non-SG Members do not have the right to designate a director to the Company's board of directors or otherwise share the power to vote or direct the vote of any securities held by any other member of the Stockholder Group, no Non-SG Member is deemed to beneficially own any securities held by another member of the Stockholder Group solely as a result of entering into the Stockholder Agreement. While certain members of the Stockholder Group share voting power as described above, each member of the Stockholder Group retains sole dispositive power with respect to any shares held by such member, subject to the terms of the Stockholder Agreement. Each member of the Stockholder Group expressly disclaims beneficial ownership of any shares owned by any other member of the Stockholder Group except to the extent of such member's pecuniary interest therein.
  - (7) Includes 29,773,180 shares of Common Stock beneficially owned by SG VTB. Mr. Fox is the sole manager of SG VTB and, as such, has voting and investment control over the securities held by SG VTB. By virtue of his relationship with SG VTB, Mr. Fox may be deemed to share beneficial ownership of such shares. Mr. Fox expressly disclaims beneficial ownership of any such shares except to the extent of his pecuniary interest therein.
  - (8) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 799 shares of Common Stock.
  - (9) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 15,000 shares of Common Stock.
  - (10) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 92,305 shares of Common Stock.
  - (11) Includes options currently exercisable and those exercisable within 60 days of May 18, 2015 for an aggregate of 1,901,478 shares of Common Stock.
  - (12) Includes 15,438,830 shares held of record and 14,334,350 shares of Common Stock beneficially owned as a result of the Stockholder Group. SG VTB disclaims beneficial ownership of any such beneficially owned shares except to the extent of its pecuniary interest therein.
