PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 15, 2015

This Proxy Statement sets forth certain information with respect to the accompanying proxy to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) of Turtle Beach Corporation, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors has designated the Embassy Suites San Diego—La Jolla, 4550 La Jolla Village Drive, San Diego, California 92122 as the location of the Annual Meeting. The Annual Meeting will be called to order at 9:00 a.m. local time on Monday, June 15, 2015. Only stockholders of record as of the close of business on April 16, 2015 (the “Record Date”) are entitled to vote. The Board of Directors solicits this proxy and encourages you to read this document thoroughly and to take this opportunity to vote on the matters to be decided at the Annual Meeting. Unless the context otherwise indicates, reference to “we,” “us,” “our,” “Turtle Beach” or the “Company” in this Proxy Statement means Turtle Beach Corporation.

Under rules and regulations of the Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of our proxy materials to each stockholder of record or beneficial owner of our common stock, we are furnishing proxy materials, which include our Proxy Statement and Annual Report, to our stockholders over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. *You will not receive a printed copy of the proxy materials unless you request to receive a paper copy or an email copy of these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials.* Instead, the Notice of Internet Availability of Proxy Materials will instruct you how you may access and review all of the important information contained in the proxy materials on the Internet. The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy via telephone or the Internet. This proxy procedure enables all holders of common stock, many of whom are unable to attend the Annual Meeting, to vote. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

We are mailing the Notice of Internet Availability of Proxy Materials on or about April 30, 2015 to each stockholder at the holder’s address of record. SEC rules permit us to deliver only one copy of the Notice of Internet Availability of Proxy Materials or a single set of proxy materials to multiple stockholders sharing the same address. Upon written or oral request, we will deliver separate Notices and/or copies of our 2014 Annual Report and/or this Proxy Statement to any stockholder without charge at a shared address to which a single copy of the Notice was delivered. Stockholders may notify our Company of their requests by calling or writing ICR, Inc., c/o Brendon Frey, 761 Main Avenue, Norwalk, Connecticut 06851, Phone: 203-682-8200, Re: Turtle Beach Corporation.

VOTING PROCEDURES

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present in person or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to ensure that your shares will be represented. Stockholders can choose among the following methods to vote:

Via the Internet — Stockholders can vote by voting their shares via the Internet as instructed on the website identified in the Notice of Internet Availability of Proxy Materials. The Internet procedures are designed to authenticate a stockholder's identity to allow stockholders to vote their shares and confirm that their instructions have been properly recorded. Internet voting for stockholders of record is available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 14, 2015. The Notice instructs you how to access and review all important information in the Proxy Statement and Annual Report. You will then be able to request that copies of proxy materials be emailed to you or you will be directed to select a link where you will be able to vote on the proposals presented here.

By Telephone — The Notice of Internet Availability of Proxy Materials includes a toll-free number you can call to request printed copies of proxy materials. Telephone voting for stockholders of record is available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 14, 2015. The printed proxy materials include a different toll-free number that you can call for voting.

By Mail — Stockholders who receive a paper Proxy Card may elect to vote by mail by completing, signing and dating their Proxy Card and mailing it in the pre-addressed envelope that accompanies the delivery of a paper Proxy Card. Proxy Cards submitted by mail must be received prior to the Annual Meeting in order for your shares to be voted. Stockholders who hold shares beneficially in street name may vote by mail by requesting a paper Proxy Card according to the instructions contained in the Notice of Internet Availability of Proxy Materials, and then completing, signing and dating the Proxy Card provided by the brokers or other agents and mailing it in the pre-addressed envelope provided.

At the Annual Meeting — Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker or other agent that holds your shares giving you the right to vote the shares and you bring such proxy to the Annual Meeting.

If your shares are held in "street name" (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the Annual Meeting in order to vote.

If you vote via the Internet, by telephone or by mailing a Proxy Card, we will vote your shares as you direct. For the election of directors (Item 1), you can specify whether your shares should be voted for all, some or none of the nominees for director listed. With respect to the ratification of our Audit Committee's appointment of BDO USA, LLP as our independent registered public accounting firm (Item 2), you may vote "for" or "against" the ratification, or you may abstain from voting on the ratification.

You may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to the corporate Secretary of the Company at the Company's principal executive offices before the beginning of the Annual Meeting. You may also revoke your proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You may also vote in person at

[Table of Contents](#)

the Annual Meeting if you obtain a legal proxy as described above. Unless properly revoked, properly executed and delivered proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided and if no directions are provided on such properly executed and delivered proxy, those shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors, as stated in this Proxy Statement and in the Notice of Internet Availability of Proxy Materials, specifically (1) in favor of our nominees for directors; and (2) in favor of the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2015. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of not more than three people, to whom you wish to give your proxy.

Who can vote? Only stockholders of record as of the close of business on April 16, 2015, the ("Record Date"), are entitled to vote. On that day, approximately 42,132,551 shares of common stock were outstanding and eligible to vote, and there were 958 record holders. Each share is entitled to one vote on each matter presented at the Annual Meeting. A list of stockholders eligible to vote will be available at the offices of Turtle Beach Corporation, 100 Summit Lake Drive, Suite 100, Valhalla, New York 10595 beginning June 4, 2015. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting by contacting the Secretary of the Company.

How does the Board recommend I vote? The Board recommends the following votes:

- **FOR** each of the Board's nominees for election to serve until the Annual Meeting of Stockholders in 2016 and until their successors are duly elected and qualified (Item 1); and
- **FOR** the ratification of the Audit Committee's appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015 (Item 2).

How are votes counted? The Annual Meeting will be held if a quorum, consisting of not less than 50% of the outstanding shares of common stock entitled to vote, is represented at the Annual Meeting in person or by proxy. If you are a stockholder whose shares are not registered in your name and you do not vote, then your bank, broker or other holder of record may still represent your shares at the Annual Meeting for purposes of obtaining a quorum.

In the absence of your voting instructions, your bank, broker or other holder of record may not be able to vote your shares in its discretion depending on the proposal before the Annual Meeting. As a result of rules applicable to director elections after January 1, 2010, your broker may no longer vote your shares in its discretion in the election of directors; therefore, you must vote your shares if you want them to be counted in the election of directors. However, your broker may vote your shares in its discretion on routine matters such as the ratification of the Company's independent registered public accounting firm.

Because each director nominee is elected by the affirmative vote of the holders of a plurality of the shares of common stock voted, abstentions will have no effect on the election of director nominees (Item 1). The ratification of the appointment of BDO USA, LLP (Item 2) requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether Item 2 has been approved, abstentions have the same effect as negative votes.

Who will count the vote? The votes will be tabulated by the Company's Vice President, Administration, James A. Barnes, the inspector of elections appointed by the Board of Directors for the Annual Meeting.

Where can I find the results of the Annual Meeting? We intend to announce preliminary voting results at the Annual Meeting and publish final results in a Current Report on Form 8-K within four business days of the Annual Meeting.

Who is soliciting this proxy? Solicitation of proxies is made on behalf of the Board of Directors of the Company. The cost of soliciting proxies, including preparing, assembling and mailing the Notice of Internet Availability of Proxy Materials, Proxy Statement, form of proxy and other soliciting materials, as well as the cost of forwarding such material to the beneficial owners of stock, will be paid by us, except for some costs associated with individual stockholders' use of the Internet or telephone. In addition to solicitation by e-proxy and/or by mail, directors, officers, regular employees and others may also, but without compensation other than their regular compensation, solicit proxies personally or by telephone or other means of electronic communication. We may reimburse brokers and others holding stock in their names or in the names of nominees for their reasonable out-of-pocket expenses in sending proxy materials to principals and beneficial owners.

What if I can't attend the Annual Meeting? If you are unable to attend the Annual Meeting in person and you intend to vote, you may vote your shares by proxy, via the Internet, by telephone or by mail by the applicable deadline.

CORPORATE GOVERNANCE

In accordance with the Nevada Revised Statutes and the Company's Articles of Incorporation, as amended, and our Bylaws, as amended, the Company's Board of Directors (the "Board") has full control over the affairs of the Company. Although the Company's non-management directors are not involved in the day-to-day operating details, they are kept informed of the Company's business through reports and materials provided to them regularly, as well as by operating, financial and other reports presented by the officers of the Company at meetings of the Board and committees of the Board.

Board Leadership Structure. Ronald Doornink serves as the Chairman of the Board and in such capacity presides over meetings of the Board. Our Chief Executive Officer ("CEO") is Juergen Stark, and he manages the business and affairs of the Company under the direction of the Board. We currently separate the positions of CEO and Chairman of the Board. The Board has reviewed this leadership structure and has determined that it is the most appropriate structure for the Company because it enables the CEO to focus on running the Company's business while the Board Chair focuses on the affairs of the Board. Mr. Stark provides hands-on leadership running the business on a day-to-day basis, and the Board believes that currently it is most effective to keep the principal executive officer and Board Chair positions separate.

The Board's Role in Risk Oversight. The Board as a whole has responsibility for the general oversight of risk, and the Board's committees address and report to the Board on any individual risk areas within their purview. Topics related to risk and risk management are regularly discussed at Board and Board Committee meetings. The Company's senior management makes presentations to the full Board as to the areas of principal risk, as well as on the processes that the Company has in place to identify, assess and report such risks.

The Board committees report to the Board on their consideration of any risks within their respective areas of focus. The Audit Committee primarily oversees risks relating to or arising from financial and disclosure controls and procedures, and accounting and other financial matters. The Company's Chief Financial Officer reports to the Audit Committee on such risks and related risk management, and the Company's independent auditors regularly provide reports at Audit Committee meetings. The Compensation Committee has considered whether the Company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on its business or operations. The Nominating and Governance Committee reviews any risks that come within its area of responsibility (for example, risks related to corporate governance).

Controlled Company Status. The Board has elected for the Company to be treated as a "controlled company" under NASDAQ's listing rules. A "controlled company" under NASDAQ rules is a listed company more than 50 percent of the voting power of which is held by an individual, a group or another company (and which elects to be treated as a "controlled company"). Pursuant to the voting provisions contained in the Stockholder Agreement described under the "Certain Relationships and Related Transactions — Related Party Transactions" section of this Proxy Statement, certain of our stockholders constitute a "group" (for purposes of Rule 13d-5(b) of the Exchange Act) controlling more than 50% of the voting power of the Company's voting stock.

As a "controlled company," the Company is not required to comply, and has opted not to comply, with certain corporate governance rules of NASDAQ that would otherwise require (i) a majority of the members of the Board to be independent, (ii) that the Company's Compensation Committee be comprised entirely of independent directors and (iii) that the Company establish a Nominating and Governance Committee comprised entirely of independent directors or otherwise ensure that director nominees are determined, or recommended to the Board, by the independent members of the Board.

Independence. Our common stock is currently listed on the NASDAQ Global Market under the symbol "HEAR," and therefore, our determination of the independence of directors is made using the definition of "independent director" contained in the NASDAQ listing rules. On the basis of information solicited from each

[Table of Contents](#)

director, the Board has determined that each of Mr. Keitel, Ms. DeBuono and Dr. Wolfe has no material relationship with the Company and is an independent director within the meaning of NASDAQ listing rules. In making its determinations regarding director independence, the Board considered, among other things:

- any material relationships with the Company, its subsidiaries or its management, aside from such director's service as a director;
- transactions between the Company, on the one hand, and the directors and their respective affiliates, on the other hand;
- transactions outside the ordinary course of business between the Company and companies at which some of its directors are or have been executive officers or significant stakeholders, and the amount of any such transactions with these companies; and
- relationships among the directors with respect to common involvement with for-profit and non-profit organizations.

Conflicts of Interest and Corporate Governance Matters. Under our Code of Business Conduct and Ethics ("Code of Conduct"), no employee may serve as a director of any outside business concern, other than on behalf of the Company, without the written approval of the Company. In addition, no director may serve as a director of a company that engages in the business of providing audio products such as headsets, speakers, soundbars or other commercial audio products, or gaming accessories. The Charter of the Nominating and Governance Committee empowers the Nominating and Governance Committee to at least once a year review the Company's corporate governance principles, as recommended by the Nominating and Governance Committee and adopted by the Board. There are no pre-determined limitations on the number of other boards of directors on which the directors of the Company may serve; however, the Board expects individual directors to use judgment in accepting other directorships and to allow sufficient time and attention to Company matters. There are no set term limits for directors.

Code of Business Conduct and Ethics. The Company is committed to ethical business practices. Our Code of Conduct applies to all of the Company's employees, officers and directors and our Code of Ethics for Senior Financial Employee applies to the Company's principal executive officer, principal financial officer and principal accounting officer within the meaning of the SEC regulations adopted under the Sarbanes-Oxley Act of 2002, as amended, as well as certain other senior financial employees. The Company's corporate Code of Conduct can be found on the Company's website at corp.turtlebeach.com under the heading "Investors Relations—Corporate Governance—Code of Ethics." Please note that none of the information on the Company's website is incorporated by reference in this Proxy Statement.

Communications with the Board of Directors. If you would like to communicate with the Company's directors, please send a letter to the following address: Turtle Beach Corporation c/o Corporate Secretary, 100 Summit Lake Drive, Suite 100, Valhalla, New York 10595. The Company's corporate Secretary will review each such communication and forward a copy to the Board of Directors.

Meetings of the Board of Directors and Stockholders. It is the policy of the Board to meet at least quarterly. The Board of Directors held ten meetings in 2014. In 2014, the Board also held regular executive sessions where non-management directors met without management participation. Each incumbent director attended at least 75% of the meetings of the Board and the committees on which he or she served in 2014. Directors are encouraged to attend the Annual Meeting of Stockholders. The Company did not hold an annual meeting of stockholders in 2014.

Committees of the Board of Directors. The Board of Directors currently has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Charters for the Audit Committee, Compensation Committee and Nominating and Governance Committee can be found on the Company's website at corp.turtlebeach.com under the heading "Investor Relations."

[Table of Contents](#)

Audit Committee — The Audit Committee operates under a written charter adopted by the Board of Directors, which is available on the Company’s website at [corp.turtlebeach.com](#). The Audit Committee’s primary purpose is to assist the Board in the oversight of the integrity of its accounting and financial reporting process, the audits of the Company’s financial statements and its compliance with legal and regulatory requirements. The functions of the audit committee include, among other things: (i) hiring the Company’s independent registered public accounting firm to conduct the annual audit of the Company’s consolidated financial statements and monitoring its independence and performance; (ii) reviewing and approving the planned scope of the annual audit and the results of the annual audit; (iii) pre-approving all audit services and permissible non-audit services provided by the Company’s independent registered public accounting firm; (iv) reviewing the significant accounting and reporting principles to understand their impact on the Company’s consolidated financial statements; (v) reviewing the Company’s internal financial, operating and accounting controls with management and the Company’s independent registered public accounting firm; (vi) reviewing with management and the Company’s independent registered public accounting firm, as appropriate, the Company’s financial reports, earnings announcements and its compliance with legal and regulatory requirements; (vii) establishing procedures for the treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and confidential submissions by the Company’s employees of concerns regarding questionable accounting or auditing matters; (viii) reviewing and approving related-party transactions; and (ix) reviewing and evaluating, at least annually, the Audit Committee charter.

In so doing, it is the responsibility of the Audit Committee to maintain free and open communication among the Audit Committee, the independent registered public accounting firm, the internal audit function and Company management. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain at the expense of the Company independent outside counsel or other experts or advisers as it deems necessary to carry out its duties. In addition, the Committee periodically meets in executive session without management present. A detailed list of the Audit Committee’s functions is included in its charter, a copy of which can be found on the Company’s website. The Company maintains a policy that the Audit Committee review certain transactions in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy has been communicated orally by the Board. See the “Certain Relationships and Related Transactions — Related Party Transactions” section of this Proxy Statement.

The current members of the Audit Committee are Ms. DeBuono, Mr. Keitel and Dr. Wolfe. Mr. Keitel is the Chair of this committee. The Board has determined in its business judgment that each member of the Audit Committee is financially literate and that Ms. DeBuono, Mr. Keitel and Dr. Wolfe are “independent” as defined in the applicable NASDAQ listing standards and the applicable rules under the Exchange Act. In addition, the Board has determined that Mr. Keitel is an “audit committee financial expert” as that term is defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee held four meetings in 2014.

Compensation Committee — The Compensation Committee operates under a written charter adopted by the Board of Directors, which is available on the Company’s website at [corp.turtlebeach.com](#). The primary purpose of the Compensation Committee is to assist the Board in exercising its responsibilities relating to compensation of the Company’s executive officers and employees and to administer the Company’s equity compensation and other benefit plans including the Company’s 2013 Stock-Based Incentive Compensation Plan (the “Equity Plan”).

In carrying out these responsibilities, the committee reviews all components of executive officer and employee compensation for consistency with its compensation philosophy, as in effect from time to time. The functions of the Compensation Committee include, among other things (i) designing and implementing competitive compensation policies to attract and retain key personnel; (ii) reviewing and formulating policy and determining the compensation of the Company’s executive officers and employees; (iii) reviewing and recommending to the Board the compensation of the directors; (iv) administering the Company’s equity incentive

[Table of Contents](#)

plans and granting equity awards to employees and directors under these plans; (v) reviewing with management the Company's disclosures under the caption "Compensation Discussion and Analysis" and recommending to the full Board its inclusion in the Company's periodic reports to be filed with the SEC; (vi) preparing the report of the compensation committee to be included in the Company's annual proxy statement; (vii) engaging compensation consultants or other advisors it deems appropriate to assist with its duties; and (viii) reviewing and evaluating, at least annually, the Compensation Committee's charter.

The current members of the Compensation Committee are Messrs. Doornink and Keitel, and Mr. Doornink is the Chair of this committee. The Board has determined in its business judgment that Mr. Keitel is "independent" as defined in the applicable NASDAQ listing standards, a non-employee director under SEC Rule 16b-3 and an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended. As a "controlled company," as defined under NASDAQ rules, the Company's Compensation Committee is not required to be comprised entirely of independent directors. The Compensation Committee met four times in 2014. For additional information on the Compensation Committee, see "Compensation Discussion and Analysis" beginning on page 23.

Nominating and Governance Committee — The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors, which is available on the Company's website at corp.turtlebeach.com. The primary purpose of the Nominating and Governance Committee is to assist the Board in promoting the best interest of the Company and its stockholders through the implementation of sound corporate governance principles and practices. The functions of the Nominating and Governance Committee include, among other things: (i) identifying, reviewing and evaluating candidates to serve on the Board; (ii) determining the minimum qualifications for service on the Board; (iii) developing and recommending to the Board an annual self-evaluation process for the Board and overseeing the annual self-evaluation process; (iv) developing, as appropriate, a set of corporate governance principles, and reviewing and recommending to the Board any changes to such principles; and (v) annually reviewing and evaluating the Nominating and Corporate Governance Committee's charter.

The Nominating and Governance Committee considers stockholder nominees for directors in the same manner as nominees for director from other sources. Stockholder suggestions for nominees for director should be submitted to the Company's Corporate Secretary no later than the date by which stockholder proposals for action must be submitted (see "Submission of Stockholder Proposals and Director Nominations" below) and should include the information required under our Bylaws.

The current members of the Nominating and Governance Committee are Ms. DeBuono and Messrs. Doornink and Fox, and Ms. DeBuono is the Chair of this committee. The Board has determined in its business judgment that Ms. DeBuono is "independent," as defined in the applicable NASDAQ listing standards. As a "controlled company," as defined under NASDAQ rules, the Company is not required to establish a Nominating and Governance Committee comprised entirely of independent directors or otherwise ensure that director nominees are determined, or recommended to the Board, by the independent members of the Board. The Nominating and Governance Committee held one meeting during 2014.

SUBMISSION OF STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Under the rules of the SEC, stockholders wishing to have a proposal included in the Company's Proxy Statement for the Annual Meeting of Stockholders to be held in 2016 must submit the proposal so that the Corporate Secretary of the Company receives it no later than January 1, 2016. The SEC rules set forth standards as to what stockholder proposals are required to be included in a proxy statement. In addition, under the Company's Bylaws certain procedures must be followed for a stockholder to nominate persons as directors or to introduce a proposal at an annual meeting of stockholders that will not be included in our proxy statement. A stockholder wishing to make a nomination for election to the Board of Directors or to have a proposal presented

at an annual meeting of stockholders that is not included in our proxy statement must submit written notice of such nomination or proposal so that the Corporate Secretary of the Company receives it no later than April 16, 2016 but no earlier than March 17, 2016, which is 60 days and 90 days prior to the one year anniversary of the date the Company's 2015 Annual Meeting of Stockholders, respectively; provided, however, that in the event that the Company did not hold an annual meeting of stockholders the preceding year or if the date of the annual meeting of stockholders is changed by more than 30 days from the date of the preceding year's annual meeting of stockholders, notice by the stockholder must be delivered within a reasonable time before the Company prints and mails its proxy materials (or makes them available on the Internet) in connection with the annual meeting of stockholders. The Company's Bylaws also set forth certain informational requirements for stockholders' nominations of directors and proposals.

ITEM 1 — ELECTION OF DIRECTORS

The Company's Bylaws provide that the Company's business shall be managed by a Board of Directors ranging from one to twelve members. The number of directors may be increased or decreased from time to time by resolution of the Board. Directors shall be elected at the annual meeting of the stockholders and each director elected shall hold office until a successor is duly elected and qualified or until his or her death, resignation or removal.

The Board is currently comprised of six members. The Nominating and Governance Committee identifies and recommends director candidates to serve on the Board. Director candidates are then nominated for election by the Board of Directors. Stockholders are also entitled to nominate director candidates for election in accordance with the procedures set forth in the Company's Bylaws (see "Submission of Stockholder Proposals and Director Nominations" above).

In identifying and recommending director candidates to serve on the Board, the Nominating and Governance Committee considers the qualifications and composition of the Board as a whole, taking into account the totality of experience, skills and other qualifications or attributes that the individual nominees collectively bring to the Board and striving to maintain diversity of representation among its members. The Committee also considers each individual's experience, skills and other qualifications and attributes to determine that individual's suitability and desirability for service on the Company's Board. All director candidates should possess high personal and professional ethics, integrity and values, and should have sufficient time available to devote to service on the Board and Board committees. The characteristics which the Nominating and Governance Committee considers include, but are not limited to, the individual's: (i) personal integrity and professional ethical standards along with the willingness to express independent thought, (ii) being committed to representing the long-term interests of the Company's shareholders; (iii) practical wisdom and mature judgment; (iv) objectivity; (v) professional knowledge and business expertise; and (vi) broad industry knowledge.

At the Annual Meeting, six directors are to be elected. As a "controlled company," as defined under NASDAQ rules, the Company is not required to establish a Nominating and Governance Committee comprised entirely of independent directors or otherwise ensure that director nominees are determined, or recommended to the Board, by the independent members of the Board. All nominees have consented to being named as nominees for directors of the Company and have agreed to serve if elected. If some or all of the nominees should become unavailable to serve at the time of the Annual Meeting, the shares represented by proxy will be voted for any remaining nominee(s) and any substitute nominee(s) designated by the Board of Directors. In no event, however, will the shares represented by proxy be voted for more than six nominees. Director elections are determined by a plurality of the votes cast.

Set forth below is information regarding each nominee for director, including the specific experience, qualifications, skills or attributes that led to the conclusion that such nominee should serve as a director of the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our Common Stock as of the Record Date for (i) each person who is known by the Company to own beneficially more than 5% of the Common Stock, (ii) each of the Company's directors and executive officers and (iii) all of the Company's directors and executive officers as a group. Other than as set forth below, we are not aware of any other stockholder who may be deemed a beneficial owner of more than 5% of our Common Stock.

(5) Includes 1,016,036 shares of Common Stock held by the Doornink Revocable Living Trust, dated December 17, 1996, as amended (the "1996 Trust"). Mr. Doornink and his wife are the co-trustees of the 1996 Trust, and, as such, Mr. Doornink may be deemed to share beneficial ownership of such shares. Mr. Doornink expressly disclaims beneficial ownership of any such shares except to the extent of his pecuniary interest therein.

(6) On January 27, 2014, SG VTB Holdings, LLC ("SG VTB"), the Ronald Doornink 2012 Irrevocable Trust dated November 30, 2012 (the "RD 2012 Trust"), the Martha M. Doornink 2012 Irrevocable Trust dated November 30, 2012 (the "MD 2012 Trust"), the 1996 Trust, Carmine Bonanno, Frederick Romano, Michael Rowe and Amie Rowe (collectively, the "Stockholder Group") jointly filed, and on May 22, 2014 filed an amendment to, a Schedule 13D (the "Schedule 13D") with the SEC. The Stockholder Group made a single, joint filing to reflect the formation of a "group" within the meaning of Section 13(d)(3) of the Exchange Act. Pursuant to a Stockholder Agreement, dated August 5, 2013, as amended, by and among the members of the Stockholder Group (the "Stockholder Agreement"), the Stockholder Group has agreed to aggregate their voting power with respect to the election of directors of the Company that have been designated by SG VTB. Since the Non-SG Members do not have the right to designate a director to the Company's board of directors or otherwise share the power to vote or direct the vote of any securities held by any other member of the Stockholder Group, no Non-SG Member is deemed to beneficially own any securities held by another member of the Stockholder Group solely as a result of entering into the Stockholder Agreement. While certain members of the Stockholder Group share voting power as described above, each member of the Stockholder Group retains sole dispositive power with respect to any shares held by such member, subject to the terms of the Stockholder Agreement. Each member of the Stockholder Group expressly disclaims beneficial ownership of any shares owned by any other member of the Stockholder Group except to the extent of such member's pecuniary interest therein.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The rules of the SEC require the Company to disclose late filings of stock transaction reports by its executive officers and directors and by certain beneficial owners of the Company's common stock. Based on our records and other information, we believe that each of our executive officers, directors and certain beneficial owners of the Company's common stock complied with all Section 16(a) filing requirements applicable to them during 2014 on a timely basis, except that Mr. Hanson filed one late Form 4 on April 27, 2015 reporting one transaction that occurred on November 19, 2014.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be “soliciting material” or “filed” for purposes of Section 18 of the Exchange Act or otherwise subject to liability under that Section. This report shall not be deemed “incorporated by reference” into any document filed under the Securities Act of 1933, as amended, or the Exchange Act, whether such filing occurs before or after the date hereof, regardless of any general incorporation language in such filings, except to the extent that the Company specifically incorporates it by reference.

The Audit Committee assists the Board in meeting its oversight responsibility to stockholders, potential stockholders, the investment community and others. The Audit Committee’s function is one of oversight, recognizing that management is responsible for preparing the Company’s financial statements, and the independent registered public accounting firm is responsible for auditing those statements. Management of the Company is responsible for (1) the preparation, presentation, and integrity of the Company’s financial statements; (2) the appropriateness of the accounting principles and reporting policies that are used by the Company; (3) establishing and maintaining adequate internal control over financial reporting, as such term is defined in the Exchange Act; and (4) maintaining adequate disclosure controls and procedures, as such term is defined by the Exchange Act. The Company’s independent registered public accounting firm is responsible for (1) auditing the Company’s annual consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing an opinion on the conformity of those consolidated financial statements with accounting principles generally accepted in the United States of America (“GAAP”); (2) auditing and attesting to the Company’s internal control over financial reporting based on criteria established in *Internal Control – Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (the “COSO criteria”); and (3) reviewing the Company’s unaudited interim condensed consolidated financial statements. The Audit Committee’s primary responsibility is to oversee the Company’s financial reporting process on behalf of the Board and report the results of its activities to the Board. It is not the Audit Committee’s duty or responsibility to conduct auditing or accounting reviews or procedures. In performing its oversight function, the Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the Company’s independent registered public accounting firm. The Audit Committee will however take the appropriate actions to set the overall corporate “tone” for quality financial reporting, sound business risk practices, and ethical behavior.

The Audit Committee is directly responsible for the selection of the independent registered public accounting firm to be retained to audit the Company’s consolidated financial statements and internal control over financial reporting, and once retained, the independent registered public accounting firm reports directly to the Audit Committee. The independent registered public accounting firm is ultimately accountable to the Audit Committee and the Board. The Audit Committee consults with and reviews recommendations made by the independent registered public accounting firm with respect to the Company’s consolidated financial statements and related disclosures and internal control over financial reporting of the Company and makes recommendations to the Board as it deems appropriate from time to time. The Audit Committee is responsible for approving both audit and non-audit services to be provided by the independent registered public accounting firm. The Audit Committee is currently composed of three directors, all three of whom the Board has determined to be independent as that term is defined by applicable NASDAQ listing standards and SEC rules. The Board has determined, in accordance with applicable NASDAQ listing standards, that Mr. Keitel is an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K of the Exchange Act. The Audit Committee operates under a written charter adopted by the Board, which is available on the Company’s Internet website at corp.turtlebeach.com. The Audit Committee charter is reviewed on an annual basis by the Audit Committee and is subject to amendment from time to time.

The Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls, and discusses these matters with the Company's independent registered public accounting firm. The Audit Committee also discusses with senior management the Company's disclosure controls and procedures. The Audit Committee's oversight of the independent registered public accounting firm includes resolution of disagreements between management and the independent registered public accounting firm regarding financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the Company's quarterly earnings releases, Quarterly Reports on Form 10-Q for the periods ended March 31, 2014, June 30, 2014 and September 30, 2014, and the audited consolidated financial statements in the Annual Report on Form 10-K for the year ended December 31, 2014 with management and the Company's independent registered public accounting firm, which included a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements.

The Audit Committee also discussed with management and the independent registered public accounting firm the Company's internal control over financial reporting. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 61 (Communications with Audit Committees). The Audit Committee received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence, including the compatibility of any non-audit services with the independent registered public accounting firm's independence.

The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the year 2014 results of its consolidated financial statement audit, its audit of the Company's internal controls over financial reporting and the overall quality of the Company's financial reporting. The independent registered public accounting firm has direct access to the Audit Committee at any time on any issue of its choosing, and the Audit Committee has the same direct access to the independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2014 be included in the 2014 Annual Report on Form 10-K for filing with the SEC.

The Audit Committee has appointed the firm of BDO USA, LLP as independent registered public accounting firm to audit and report upon the Company's consolidated financial statements and internal control over financial reporting for the year ending December 31, 2015. In making this selection, the Audit Committee has considered whether BDO USA, LLP's provision of services other than audit services is compatible with maintaining their independence.

ITEM 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed BDO USA, LLP as the independent registered public accounting firm to audit the Company's consolidated financial statements for the year ending December 31, 2015 and internal control over financial reporting. Although action by the stockholders on this matter is not required under Nevada law or the Sarbanes-Oxley Act of 2002, as amended, or the rules of the SEC promulgated thereunder, the Audit Committee and the Board believe it is appropriate to seek stockholder ratification of this appointment in light of the role played by the independent registered public accounting firm in reporting on the Company's consolidated financial statements. Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. If this appointment is not ratified by the stockholders, the Audit Committee may reconsider its appointment. One or more representatives of BDO USA, LLP are expected to attend the Annual Meeting telephonically. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

As further described in our current report on Form 8-K filed with the SEC on January 16, 2014 (the "Closing 8-K"), on January 15, 2014, we completed the merger (the "Merger") of our wholly-owned subsidiary, Paris Acquisition Corp. ("Merger Sub") with and into VTB Holdings, Inc., a Delaware corporation ("VTBH"). As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company. For accounting purposes, the Merger was treated as a "reverse acquisition" with VTBH considered the accounting acquirer. Accordingly, VTBH's historical results of operations on a stand-alone basis replace Parametric Sound Corporation's ("Parametric") historical results of operations for all periods on or prior to January 15, 2014, and for all periods following the Merger, the results of operations of both companies have been and will be included.

The financial statements of VTBH as of and for the years ended December 31, 2013 and 2012 were audited by Freed Maxick CPAs, P.C. ("Freed"). In a reverse acquisition, a change of accountants is presumed to have occurred unless the same accountant audited the pre-merger financial statements of both the legal acquirer and the accounting acquirer, and such change is generally presumed to occur on the date the reverse acquisition is completed.

However, because the Merger was not completed until January 15, 2014, the Company's quarterly report on Form 10-Q for the quarter ended December 31, 2013 filed with the SEC on February 10, 2014 (the "Pre-Merger 10-Q") was required to include the unaudited condensed consolidated financial statements (and discussion thereof in Item 2 "Management's Discussion and Analysis of Financial Condition and Results of Operations") of the Company, the legal acquirer, as of December 31, 2013 (i.e. prior to the completion of the Merger) on a stand-alone basis. In addition, the Company also filed with the SEC on March 28, 2014 an amendment to the Closing 8-K (the "Post-Merger 8-K/A") that included the audited consolidated financial statements of VTBH, the accounting acquirer, on a stand-alone basis, for the years ended December 31, 2013 and 2012, as well as certain pro forma financial information. During the interim period between the initial filing of the Closing 8-K and Post-Merger 8-K/A, Freed completed the audit of VTBH's financial statements as of and for the year ended December 31, 2013 required to be included in the Post-Merger 8-K/A.

The financial statements of the Company (i.e. Parametric) as of and for the fiscal years ended September 30, 2013 and 2012 were audited by Squar, Milner, Peterson, Miranda and Williamson LLP ("Squar Milner"). Squar Milner continued performing certain additional review services for the Company (i.e. Parametric) in connection with the Pre-Merger 10-Q. Subsequent to the filing of the Pre-Merger 10-Q, Squar Milner has not performed any audit, audit related or review services for the Company.

After the completion of the Merger, the Audit Committee, which has the responsibility to engage and dismiss the Company's auditor under Rule 10A-3(b)(2), began considering which firm would serve as the Company's principal accounting firm for the fiscal year ending December 31, 2014. Following the filing of the

[Table of Contents](#)

Pre-Merger 10-Q and the Post-Merger 8-K/A, the Audit Committee made the decision to dismiss each of Squar Milner and Freed, and to engage BDO USA, LLP (“BDO”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2014.

Effective April 9, 2014, the Audit Committee dismissed Squar Milner as the Company’s independent registered public accounting firm. The Audit Committee voted unanimously to dismiss Squar Milner.

Squar Milner served as the Company’s (i.e. Parametric’s) independent registered public accounting firm for the fiscal years ended September 30, 2013 and 2012. The audit reports of Squar Milner on the Company’s (i.e. Parametric’s) financial statements as of and for the years ended September 30, 2013 and 2012 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s (i.e. Parametric’s) fiscal years ended September 30, 2013 and 2012 and in the subsequent period through April 9, 2014, there were no disagreements with Squar Milner on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Squar Milner would have caused it to make reference to the subject matter of the disagreements in connection with its audit report, nor were there any “reportable events” as such term is defined in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Exchange Act.

Effective April 9, 2014, the Audit Committee also dismissed Freed as VTBH’s principal accounting firm. The Audit Committee voted unanimously to dismiss Freed.

The audit reports of Freed on VTBH’s financial statements as of and for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During VTBH’s fiscal years ended December 31, 2013 and 2012 and in the subsequent period through April 9, 2014, there were no disagreements with Freed on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Freed would have caused it to make reference to the subject matter of the disagreements in connection with its audit report, nor were there any “reportable events” as such term is defined in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Exchange Act.

Effective April 9, 2014, the Audit Committee engaged BDO USA, LLP to serve as the Company’s independent registered accounting firm to audit the Company’s consolidated financial statements for the fiscal year ending December 31, 2014. The Audit Committee voted unanimously to engage BDO. BDO previously audited the financial statements of VTBH as of and for the years ended December 31, 2011 and 2010 and also provided certain tax-related services. BDO USA, LLP also provided certain valuation services to the Company in connection with its 2012 acquisition of Lygo International.

Except as described above, during the two most recent fiscal years and through April 9, 2014, the date of the engagement of BDO, neither the Company nor any person on its behalf has consulted with BDO with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements or (ii) any matter that was either the subject of a “disagreement” or a “reportable event” as such terms are described in Items 304(a)(1)(iv) or 304(a)(1)(v), respectively, of Regulation S-K promulgated under the Exchange Act.

The Board of Directors recommends a vote FOR ratification of the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2015.

COMPENSATION COMMITTEE REPORT

The information contained in this report shall not be deemed to be “soliciting material” or “filed” for purposes of Section 18 of the Exchange Act or otherwise subject to liability under that Section. This report shall not be deemed “incorporated by reference” into any document filed under the Securities Act of 1933, as amended, or the Exchange Act, whether such filing occurs before or after the date hereof, regardless of any general incorporation language in such filings, except to the extent that the Company specifically incorporates it by reference.

The Compensation Committee has reviewed and discussed the following Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with the Company’s management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Ronald Doomink, *Chair*
William E. Keitel

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis (“CD&A”) provides an overview of the Company’s executive compensation program together with a description of the material factors underlying the decisions that resulted in the compensation provided for 2014 to the Company’s CEO, Chief Financial Officer and the other three Executive Officers who were the highest paid during 2014 (collectively, “Named Executive Officers” or “NEOs”). The names of the Company’s 2014 NEOs and their titles at year-end were:

- **Juergen Stark** – Chief Executive Officer
- **John Hanson** – Chief Financial Officer
- **Robert Andris** – Senior Vice President, Global Supply Chain and Operations
- **James Adams** – Senior Vice President, Consumer Sales
- **Robert Picunko** – Chief Marketing Officer

Mr. Picunko’s employment was terminated on February 27, 2015 and Mr. Adam’s employment was terminated on March 13, 2015. Upon their respective terminations, each of Mr. Picunko and Mr. Adams entered into a Separation Agreement and General Release whereby they irrevocably released the Company from all claims and causes of action arising prior to their respective dates of termination.

The following discussion and analysis contains statements regarding individual and Company performance targets and goals. These targets and goals are disclosed in the limited context of the Company’s compensation programs and should not be understood to be statements of management’s expectations or estimates of financial results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

Results of Say-on-Pay Vote and Say-on-Pay Frequency Vote. At our last Annual Meeting held on February 21, 2013, we held a non-binding Shareholder say-on-pay vote on the 2012 compensation of our NEOs. Approximately 92% of the shares voted “For,” “Against” or “Abstain” on our say-on-pay proposal approved the compensation of our NEOs. Because of the level of support expressed by our Shareholders for the compensation of our NEOs, the Compensation Committee (“Committee”) did not change its general approach to executive compensation as a result of this vote. Although the advisory Shareholder vote on executive compensation is non-binding, the Committee will continue to take the outcome of future say-on-pay votes into consideration when making compensation decisions for our NEOs.

[Table of Contents](#)

At the same Annual Meeting, we also held a non-binding Shareholder vote on the frequency of future say-on-pay votes. The frequency that received the greatest number of votes was three years. After considering the results of these votes, the Board of Directors determined that a non-binding Shareholder vote on executive compensation would be conducted once every three years. Thus, the Company will hold its next say-on-pay vote at its Annual Meeting to be held in 2016.

Role of the Compensation Committee. During 2014, the Committee members were Ronald Doornink (Chair), William E. Keitel and, until his resignation from the Board of Directors on May 12, 2014, Kenneth F. Potashner. The Committee has responsibility for overseeing and, as appropriate, determining and implementing the compensation plans, policies and programs for the Company's executive officers, non-employee directors and employees. The Committee operates under a written charter adopted by the Board of Directors. A copy of this charter is available on the Company's website at corp.turtlebeach.com under the link "Investor Relations—Corporate Governance."

Compensation Philosophy and Objectives. The Committee believes that the executive compensation program should enable the Company to attract, retain and motivate a team of highly qualified executives who will create long-term value for the Shareholders. To achieve this objective, the Committee has developed an executive compensation program that is ownership-oriented and that rewards the attainment of specific annual, long-term and strategic goals that will result in improvement in total shareholder return. To that end, the Committee believes that the executive compensation program should include both cash and equity-based compensation that rewards the achievement of overall financial and operational performance by the Company (or a subsidiary or division of the Company) as well an executive's attainment of certain individual goals. The Committee annually evaluates the components of the compensation program, the desired mix of compensation among these components and the applicable goals.

Committee Process. The Committee meets as often as necessary to perform its duties and responsibilities. During 2014, the Committee met four times. The Committee usually meets with the CEO and, when appropriate, with other Company officers and outside advisors. In addition, the Committee periodically meets in executive session without management present.

Setting of Meeting Agenda. The Committee's meeting agenda is normally established by the Committee Chair in consultation with the CEO. Committee members receive and review materials in advance of each meeting. Depending on the meeting's agenda, such materials may include: financial reports regarding the Company's performance, reports on achievement of corporate objectives, reports detailing executives' stock ownership and stock awards and information regarding the compensation programs and compensation levels of certain peer group companies.

Role of Executive Officers in Compensation Decisions. The Committee makes all decisions regarding the CEO's compensation. Decisions regarding the compensation of other NEOs are made by the Committee in consultation with, and upon the recommendation of, the CEO. In this regard, the CEO provides the Committee evaluations of business goals and objectives and executive performance and recommendations regarding salary levels, equity grants and other incentive awards.

Executive Compensation Consultant. The Committee's charter authorizes the Committee, in its sole discretion, to retain and terminate consultants to assist it in the evaluation of compensation for the NEOs. The Committee has sole authority to approve the fees and other retention terms of any such consultant. Pursuant to its authority under its charter to retain compensation consultants, the Committee engaged Compensia, Inc. ("Compensia"), an executive compensation consulting firm, to act as its independent advisor with respect to 2014 compensation decisions.

Consultant Independence. All services provided by Compensia to the Committee are conducted under the direction and authority of the Committee, and all work performed by Compensia must be pre-approved by the Committee. Compensia does not provide any other services to the Company and does not own any shares of the

[Table of Contents](#)

Company's stock. There are no personal or business relationships between the Compensia consultants and any executive of the Company. In addition, there are no personal relationships between the Compensia consultants and any member of the Committee. Compensia maintains a detailed conflict of interest policy in order to ensure that compensation committees receive conflict-free advice.

Market and Peer Group Compensation Data. In advising the Committee regarding 2014 compensation for our NEOs, Compensia relied on compensation data from recently public technology companies in Compensia's proprietary database, as well as compensation data from the following peer group, which the Committee approved in November 2014.

- Audience
- CalAmp
- Dolby Laboratories
- DTS
- Extreme Networks
- Glu Mobile
- Gogo
- LeapFrog Enterprises
- Plantronics
- Rosetta Stone
- Rovi
- ShoreTel
- Skullcandy
- TiVo
- Universal Display
- Universal Electronics
- ZAGG

The Committee used the market and peer group compensation data provided by Compensia as a guide only and did not engage in formal benchmarking with respect to the 2014 compensation of our NEOs. The Committee did not implement any changes to our executive compensation program for 2014 based on the recommendations of Compensia.

Components of Compensation. For 2014, the principal components of compensation for our NEOs were:

- base salary;
- annual incentive bonus;
- long-term equity incentives; and
- perquisites.

Base Salary. The Company provides NEOs with base salaries to compensate them for services rendered during the year. The Committee recognizes that competitive salaries must be paid in order to attract and retain high quality executives. Normally, the Committee reviews NEO salaries at the end of each year, with any adjustments to base salary becoming effective in the succeeding year. However under special circumstances, such as a promotion or increased responsibilities, the Committee may act to increase an NEO's salary during the year.

2014 Base Salaries. Base salaries for each of the NEOs for 2014 were as set forth in the following table.

<u>Name</u>	<u>2014 Base Salary</u>
Juergen Stark	\$ 535,000
John Hanson	\$ 350,000
Robert Andris	\$ 270,000
James Adams	\$ 240,000
Robert Picunko	\$ 289,000

Annual Incentive Bonus. Annual cash bonuses are included as part of the executive compensation program because the Committee believes that a significant portion of each NEO's compensation should be contingent on individual and Company performance. Accordingly, the Company maintains an Annual Incentive

Table of Contents

Bonus Plan (the “Bonus Plan”) under which NEOs are eligible to receive annual incentive bonuses based upon the achievement of specified performance goals which are determined by the Committee. As described further below, performance goals may relate to, among other items, the Company’s achievement of certain financial or operational goals or performance goals specific to the individual executive. The Committee is allowed, but not required, to provide for bonuses that constitute “qualifying performance based compensation” within the meaning of Code Section 162(m). However, the Committee also retains the discretion to grant bonuses that do not meet such requirements if, in the Committee’s discretion, it is advisable to grant such awards under the circumstances.

2014 Performance Goals. For 2014, 60% of our CEO’s target bonus was based on the achievement of Company EBITDA of \$24,500,000 and the remaining 40% of our CEO’s target bonus was based on achievement in the areas of product development and diversification, investor management and the improvement of internal forecasting, operational and planning processes. For 2014, 50% of our CFO’s target bonus was based on the achievement of Company EBITDA of \$24,500,000 and 50% of our CFO’s target bonus was based on cash management, financial process improvement, compliance with Federal securities laws, spending management and investor management.

2014 Bonus Opportunities and Results. Our NEOs’ 2014 target bonus opportunities together with actual bonuses paid to them were as follows:

<u>Name</u>	<u>Target Bonus as a Percentage of Base Salary</u>	<u>Target Bonus Amount</u>	<u>Actual Bonus as a Percentage of Base Salary</u>	<u>Actual Bonus Amount</u>
Juergen Stark (1)	60%	\$321,000	51.0%	\$ 272,850
John Hanson (1)	40%	\$140,000	34.0%	\$ 119,000
Robert Andris (2)	30%	\$ 81,000	27.3%	\$ 73,335
James Adams	60%	\$144,000	33.2%	\$ 79,650
Robert Picunko	30%	\$ 86,700	16.6%	\$ 48,064

- (1) \$75,435 and \$24,500 of Mr. Stark’s and Mr. Hanson’s actual bonus amounts, respectively, were paid for the successful completion of the Merger in January 2014. For further information on the Merger, see “Recent Change of Control” below. An additional \$75,435 and \$24,500 of Mr. Stark’s and Mr. Hanson’s actual bonus amounts, respectively, were discretionary, performance-based bonus awards separate and apart from their respective target bonus amounts tied to the EBITDA performance goals described above.
- (2) \$10,000 of Mr. Andris’ actual bonus amount was a discretionary, performance-based bonus.

Long-term Incentive Compensation. The Company grants equity-based awards to executives in the form of stock options with time-based vesting requiring continued service through each vesting date. The primary purpose of granting equity-based awards is to align our executives and stockholders with a common goal of long-term stockholder value creation. Generally, stock options and other equity-based awards are granted under the Equity Plan, although the Committee retains discretion to grant equity-based awards outside the Equity Plan where, under the circumstances, such grants would be advisable. Each grant of a stock option or other equity-based award will be evidenced by a grant agreement that sets forth the terms and conditions of such grant, including, without limitation, any performance requirements, other terms governing vesting, and the exercise price (if applicable).

The Committee believes that stock options issued with exercise prices equal to fair market value on the date of grant that have a time-based vesting requirement are an effective retention and incentive tool because the stock options only produce value to the extent that the employee continues to be employed by us and the stock price increases, which in turn creates value for all stockholders.

Historically, the Chief Executive Officer typically consulted with other senior executive officers and our Executive Chairman regarding his recommendations for the number of stock option awards granted to our executive officers (other than the Chief Executive Officer), and the frequency of grants. The Committee, with the

[Table of Contents](#)

assistance of its compensation consultant, reviews the recommendations from the Chief Executive Officer, and makes adjustments as it deems appropriate. Although a number of factors are considered, the number of stock option awards granted to our executive officers is determined on a case-by-case, discretionary basis, rather than on a formula basis. Factors considered include individual performance potential, retention and competitive market-based compensation packages. The number of stock option awards granted to our Chief Executive Officer, and the frequency of grants to him, is determined by the Committee.

2014 Stock Option Grants. A summary of all stock option awards granted in 2014 to our NEOs is provided below:

<u>Name</u>	<u>Stock Options</u>
Juergen Stark	0
John Hanson (1)	346,977
Robert Andris (2)	270,984
James Adams	0
Robert Picunko	0

- (1) 291,977 of Mr. Hanson's options were granted in January 2014 in connection with his hiring in September 2013.
(2) 210,984 of Mr. Andris' options were granted in January 2014 in connection with his hiring in September 2013.

The stock option awards were granted under the Equity Plan. Such awards will generally vest (subject to the executive's continued employment on the applicable vesting date) as follows: 25% of the award will vest on the first anniversary of the grant date and 1/48th of the award will vest monthly thereafter, such that 100% of the award will become vested on the fourth anniversary of the grant date.

Timing of Grants. The Committee has not granted, nor does it intend in the future to grant, stock options to executives in anticipation of the release of material nonpublic information that is likely to result in changes to the price of our common stock, such as a significant positive or negative earnings announcement. In addition, discretionary stock option grants may not be made during certain "blackout" periods established in connection with the public release of earnings information. Similarly, the Committee has not timed, nor does it intend in the future to time, the release of material nonpublic information based on stock option grant dates.

Retirement Benefits. The Company maintains a tax-qualified 401(k) Retirement Savings Plan to which all salaried employees, including the NEOs, are able to contribute a portion of their salaries on a pre-tax basis.

Perquisites. The Company provides the NEOs with a limited number of perquisites and other personal benefits that the Committee believes are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain key executives. An item is a perquisite if it confers a direct or indirect benefit that has a personal aspect, without regard to whether it may be provided for some business reason or for the convenience of the Company, unless it is generally available on a non-discriminatory basis to all employees. An item is not a perquisite if it is integrally and directly related to the performance of the executive's duties. In 2014 certain of the NEOs were provided the following perquisites: cash-out of unused vacation days pursuant to the Company's general vacation policy and relocation allowances. The monetary value of perquisites provided to each NEO is disclosed in the tables following this CD&A.

Severance. The offer letters for Messrs. Stark, Hanson, Adams and Picunko provide for post-employment severance payments and benefits in the event of employment termination under certain circumstances. For more information regarding these potential severance payments and benefits, see "Potential Payments upon Termination." The Committee believes that these offer letters provide an incentive to the NEOs to remain with the Company and serve to align the interests of the NEOs and Shareholders, including in the event of a potential acquisition of the Company.

Tax Deductibility of Executive Compensation. Compensation paid to our CEO and to each of our three highest paid NEOs other than our Chief Financial Officer will not be deductible for federal income tax purposes to the extent such compensation exceeds \$1 million in any year unless such compensation is “performance-based” as defined in Section 162(m) of the Code. Stock option awards granted to the NEOs under the Equity Plan qualify for this exemption. In addition, the Bonus Plan allows the Committee to provide annual bonus opportunities that qualify for this exemption. However, the Committee believes that Shareholder interests are best served if its discretion and flexibility in awarding compensation is not restricted, even though some compensation awards result in non-deductible compensation expenses. Therefore, the Committee intends to maintain flexibility to pay compensation that is not entirely deductible when sound direction of the Company would make that advisable.

Compensation Policies and Practices Relating to Risk Management. The Committee, as part of its review of the Company’s compensation programs, considers the potential impact that such programs have on incentivizing the Company’s officers, directors and employees to take risks. The Company does not believe that its compensation policies and practices are reasonably likely to have a material adverse effect on the Company.

DIRECTOR COMPENSATION

In considering the Company’s need to attract and retain qualified directors, effective January 2014, the Company adopted a policy for compensating directors who are not employees of the Company for their service. To ensure that the Company compensates non-employee directors in line with market practice, our director compensation program was formulated in consultation with independent compensation consultant. As described further below, the Company compensates non-employee directors through a mix of cash retainer fees and equity grants that are subject to vesting.

The following table lists 2014 director compensation for all non-employee directors who served as directors in 2014. Directors who are also employees of the Company receive no additional compensation for service as directors. Compensation for Mr. Stark, the Company’s Chief Executive Officer, is reported in the Summary Compensation Table included in the Executive Compensation section below. In accordance with our general policy for directors who are also employees of the Company, Mr. Stark did not earn additional compensation for his service as a director or for his service as Chairman.

- (2) The “Stock Awards” column reports the grant date fair value of stock awards in accordance with ASC 718. Stock awards to directors are granted under the Company’s 2013 Stock-Based Incentive Compensation Plan and the number of shares awarded is determined by dividing the value of the grant by the closing market price of our common stock on the date of grant. The stock awards consist of (a) an “initial” grant to each non-employee director of (i) an option to purchase a number of shares of our common stock with a value of \$50,000 and (ii) a grant of restricted shares having a value of \$50,000, in each case, subject to vesting over a period of four years, and (b) an “annual” grant of options to purchase a number of shares of our common stock with a value of \$50,000 and (ii) a grant of restricted shares having value of \$50,000, in each case, vesting on the first anniversary of the grant date.
- (3) Mr. Potashner resigned from the Board of Directors on May 12, 2014.

[Table of Contents](#)

In 2014, Directors who were not employees of the Company received a standard annual cash retainer fee, in addition to special fees for serving as a member of a committee or the chair of a committee, based upon the following schedule:

Annual Cash Base Fee	\$40,000
Supplemental Annual Cash Committee Fees:	
• Audit Committee—Chairperson	\$20,000
• Audit Committee—Other Members	\$10,000
• Compensation Committee—Chairperson	\$15,000
• Compensation Committee—Other Members	\$ 7,500
• Nominating and Corporate Governance Committee—Chairperson	\$10,000
• Nominating and Corporate Governance Committee—Other Members	\$ 5,000

There are no Board or committee meeting attendance fees. Directors are reimbursed by the Company for travel and related expenses they incur in connection with their service on the Board and its committees.

The Company's policy regarding providing cash fees to non-employee directors will remain the same for 2015.

In addition to the cash fees described above, the Company intends to continue to make certain equity grants to directors who are not employees of the Company. Upon initial election to the board of directors, the Company makes an initial grant to each non-employee director of an option to purchase a number of shares of our common stock with a grant date fair market value of \$50,000 and a grant of restricted shares having a grant date fair market value of \$50,000. The initial grants of options and restricted stock are subject to vesting over a period of four years. In addition, each non-employee director receives an annual grant of options to purchase a number of shares of our common stock with a grant date fair market value of \$50,000 and a grant of restricted shares having a grant date fair market value of \$50,000. The annual grants of options and restricted stock vest on the first anniversary of the grant date.

POTENTIAL PAYMENTS ON TERMINATION

The offer letters for Messrs. Stark, Hanson, Adams and Picunko provide for certain post-termination severance payments in the event of employment termination under certain circumstances. The Committee believes that these severance benefits provide an incentive to the NEOs to remain with the Company and serve to align the interests of the NEOs with the interests of shareholders, including in the event of a potential acquisition of the Company.

Under the terms of Mr. Stark’s offer letter, dated as of August 13, 2012, if the Company terminates Mr. Stark’s employment without “Cause” or if Mr. Stark terminates his employment for “Good Reason,” in each case, other than following an approved sale of the Company, the Company has agreed to pay Mr. Stark severance consisting of a continuation of his then-current base salary, as well as healthcare continuation benefits, for a period of six months following such termination and a pro-rated portion of his target bonus for the year in which such termination occurs. If such termination occurs following an approved sale of the Company, the Company has agreed to pay Mr. Stark (i) a lump sum payment equal to his then-current annual base salary, (ii) healthcare continuation benefits for a period of one year following such termination and (iii) a pro-rated portion of his target bonus for the year in which such termination occurs.

Under the terms of Mr. Hanson’s offer letter, dated as of September 16, 2013, if Mr. Hanson’s employment is terminated by the Company without “Cause,” he will be entitled to continuation of his annual salary for a period of six months. In addition, if Mr. Hanson’s employment is terminated by the Company without “Cause” or by Mr. Hanson for “Good Reason,” he will be entitled to a pro-rated bonus for the year of termination based upon the average percentage of the applicable target bonuses received by the management team.

[Table of Contents](#)

The following table provides estimates of the potential severance and other post-termination benefits each of the NEOs would have received under certain terminations of employment assuming (1) the executive's employment was terminated as of December 31, 2014, (2) goals for incentive-based compensation were met at target levels in the year of the executive's termination and (3) shares of the Company's stock are worth \$3.19 (the closing price of the Company's stock on December 31, 2014).

Mr. Picunco and Mr. Adams had their employment terminated effective February 27, 2015 and March 13, 2015, respectively. Amounts reported in the table below for Mr. Adams and Mr. Picunco reflect those amounts specified in a Separation Agreement and General Release signed by each of these executives.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee are Ronald Doomink and William E. Keitel. Until his resignation from the Board of Directors on May 12, 2014, Kenneth F. Potashner also served on the Compensation Committee. Mr. Potashner was Chief Executive Officer of the Company until January 15, 2014. At present, none of the Company's executive officers serves on the board of directors or compensation committee of a company that has an executive officer that serves on the Company's board of directors or Compensation Committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company maintains a policy that the Audit Committee review certain transactions in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related person has a direct or indirect material interest. The Audit Committee is responsible for reviewing and, if appropriate, approving or ratifying any such related party transaction. This policy has been communicated orally by the Board.

In determining whether to approve, disapprove or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, (1) whether the transaction is on terms no less favorable to the Company than terms that would otherwise be generally available to the Company if the transaction was entered into under the same or similar circumstances with a party unaffiliated with the Company and (2) the extent of the interest of the related party in the transaction.

Merger, Stockholder Agreement and Lock-Up

On January 15, 2014, we completed the Merger in accordance with the terms and conditions of an Agreement and Plan of Merger dated August 5, 2013 among the Company, VTBH and Merger Sub (the "Merger Agreement"). As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company, and the Company issued to the former holders of VTBH common stock and Series A Preferred Stock (the "VTB Stockholders") an aggregate of 30,227,100 shares of our Common Stock ("Common Stock"). In addition, in accordance with the terms of the Merger Agreement, all outstanding options to purchase shares of VTBH common stock under the 2011 Plan were converted into options to purchase shares of Common

[Table of Contents](#)

Stock and were assumed by the Company (the “Converted Options”). The number of shares of Common Stock issued was computed in accordance with a formula specified in the Merger Agreement using an exchange ratio of 0.35997 shares of Common Stock for every one share of VTBH common stock or Series A Preferred Stock. The same exchange ratio was applied to the Converted Options.

Concurrently with the execution of the Merger Agreement, we and the VTB Stockholders entered into a stockholder agreement, (the “Stockholder Agreement”) pursuant to which the VTB Stockholders agreed to certain restrictions and other provisions with respect to the shares of Common Stock that we subsequently issued to them upon completion of the Merger, collectively referred to as the “merger shares.” Also in connection with the Merger, Juergen Stark, our Chief Executive Officer, Ronald Doornink, our Chairman of the Board, the other VTB Stockholders and several other members of Turtle Beach management entered into lock-up agreements (the “Lock-Ups”) pursuant to which they agreed not to sell or otherwise transfer any stock or options of the Company for a period of six months following the closing of the Merger, subject to certain limited exceptions.

Registration Rights. Pursuant to the Stockholder Agreement, the VTB Stockholders are entitled to certain registration rights covering the merger shares, including customary piggyback registration rights for all VTB Stockholders and demand registration rights for SG VTB Holdings, LLC, our largest stockholder (“SG VTB”). The Stockholder Agreement also includes customary indemnification and expense reimbursement obligations in connection with registrations of merger shares conducted pursuant to the Stockholder Agreement.

Controlled Company; Voting Agreement. Pursuant to the Stockholder Agreement, the VTB Stockholders have also agreed to the formation of a group, referred to as the “Stockholder Group,” for purposes of the Exchange Act. The VTB Stockholders provided these block voting covenants to cause the Company to qualify as a “controlled company” under NASDAQ rules following the closing of the Merger. The VTB Stockholders also agreed to vote their merger shares to ensure that SG VTB has the right to designate seven directors to our Board (including the Chief Executive Officer and two independent directors) so long as SG VTB and its affiliates collectively beneficially own at least 10% of our outstanding capital stock. The VTB Stockholders’ obligations with respect to the formation of the Stockholder Group and the voting requirements referred to above with respect to our Board terminate upon the first to occur of (i) the failure of the Stockholder Group to hold shares representing an aggregate of at least 50.1% of the voting power of the Company and (ii) termination by the mutual agreement of the Company and the Stockholder Group.

Termination. Most of the provisions of the Stockholder Agreement will terminate upon the earlier of (i) the dissolution of the Company (unless the Company continues to exist after such dissolution as a limited liability company or in another form, whether incorporated in Delaware or another jurisdiction) and (ii) the consummation of a disposition of shares by SG VTB and its affiliates that would have the effect of transferring to a person or group that is not an affiliate of SG VTB or a portfolio company of one or more SG VTB affiliates, a number of shares of Common Stock such that, following the consummation of such disposition, such person or group would possess the voting power to elect a majority of our Board, or the board of directors (or similar body) of any successor entity; provided however, that (a) for so long as SG VTB and its affiliates collectively own any merger shares, the registration rights set forth in the Stockholder Agreement will not terminate without the prior written consent of SG VTB and (b) the indemnification provisions with respect to the registration rights in the Stockholder Agreement survive any termination of the Stockholder Agreement.

Amendment and Lock-Up Extension. Only July 10, 2014, the Company, SG VTB, Mr. Stark, Mr. Doornink and several other of the VTB Stockholders entered into an amendment (the “Amendment”) to the Stockholder Agreement and the Lock-Ups pursuant to which, among other things, the stockholders agreed to extend lock-up restrictions regarding their sale or other disposition of shares of the Company’s stock from July 16, 2014 to April 1, 2015, subject to certain exceptions, including limited sales through privately negotiated block trades.

Subordinated Note

On April 23, 2015, we issued a \$5.0 million Subordinated Note (the “Subordinated Note”) to SG VTB. The Subordinated Note bears interest at a rate of (i) 10% per annum until April 21, 2016 (which is the maturity date of the Subordinated Note) and (ii) 20% per annum for all periods thereafter, with interest accruing and being added to the principal amount of the Subordinated Note quarterly. The Subordinated Debt is subordinated to all senior debt of the Company, including the Company’s obligations under its asset-based revolving credit facility with Bank of America, N.A. and the other parties thereto.

SG VTB is an affiliate of Stripes Group LLC (“Stripes”), a private equity firm focused on internet, software, healthcare IT and branded consumer products businesses. Kenneth A. Fox, one of our directors, is the managing general partner of Stripes and the sole manager of SG VTB and Ronald Doomink, our Chairman of the Board, is an operating partner of Stripes.

Option Exchange

On April 22, 2015, we filed a Tender Offer Statement on Schedule TO (as amended, the “Schedule TO”) relating to an offer (the “Offer”) by us to eligible stock option holders to exchange certain outstanding eligible stock options to purchase shares of our common stock for replacement options upon the terms and subject to the conditions set forth in the Offer to Exchange Eligible Stock Options for Replacement Options, as amended, filed as an exhibit to the Schedule TO. Under the terms of the Offer, Messrs. Stark, Hanson and Andris are eligible participants and may, at their option prior to the expiration of the Offer, exchange eligible stock options covering 2,422,740, 291,977 and 240,984 underlying shares, respectively, with weighted average exercise prices of \$5.59, \$15.63 and \$14.54, respectively, for replacement options covering 1,863,646, 66,358 and 64,166 underlying shares, respectively, in each case, with an exercise price equal to the closing price of our common stock on the date the replacement options are granted, which we currently expect to be May 20, 2015.

Romano Offer Letter

On October 21, 2013 we entered into an offer letter with Frederick J. Romano pursuant to which Mr. Romano serves as an operations and supply chain advisor to the Company. Mr. Romano beneficially owned approximately 13.4% of our outstanding common stock as of April 16, 2015. Pursuant to the offer letter Mr. Romano is compensated at a rate of \$1,635 per day for each day worked under his consulting arrangement, but he is not entitled to participate in any employee benefit plan, program or arrangement sponsored by the Company. Mr. Romano is also entitled to the reimbursement of certain expenses, and is subject to our standard employee restrictive covenant agreement. During the year ended December 31, 2014, we paid Mr. Romano approximately \$102,648 under this arrangement.

Performance Bonus Agreement

On October 12, 2010, our wholly-owned subsidiary Voyetra Turtle Beach, Inc. (“VTB”) entered into a Performance Bonus Agreement (the “Bonus Agreement”) with Carmine J. Bonanno and Frederick J. Romano pursuant to which, among other things, VTB agreed to pay specified amounts to Messrs. Bonanno and Romano subject to VTB’s achievement of certain earnings and revenue goals during the 2011 and 2010 fiscal years. During the year ended December 31, 2014, the Company made payments of approximately \$1.6 million to each of Messrs. Bonanno and Romano pursuant to the Bonus Agreement. As of December 31, 2014, no further amounts are payable to Messrs. Bonanno and Romano under the Bonus Agreement. As of April 16, 2015, Messrs. Bonanno and Romano each beneficially own approximately 13.4% of our outstanding stock.

RECENT CHANGE OF CONTROL

On January 15, 2014, the Company completed the Merger in accordance with the terms and conditions of the Merger Agreement. As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company, and the Company issued to the former holders of VTBH common stock and Series A Preferred Stock an aggregate of 30,227,100 shares of Common Stock. In addition, in accordance with the terms of the Merger Agreement, all outstanding options to purchase shares of VTBH common stock were converted into options to purchase shares of Common Stock and were assumed by the Company (the “Converted Options”). These newly issued shares of Common Stock, together with the Converted Options, represent approximately 80% of the total issued and outstanding shares of Common Stock, on a fully-diluted basis.

The issuance of shares of Common Stock to the former holders of VTBH common stock and Series A Preferred Stock resulted in a change of control of the Company. The names of the former controlling stockholders of VTBH that received Common Stock in connection with the Merger are listed above in the Section entitled “Security Ownership of Certain Beneficial Owners and Management.”

For additional information about the Merger, see the Company’s Definitive Proxy Statement on Schedule 14A for the special meeting of stockholders held on December 27, 2013, a copy of which was filed with the SEC on December 3, 2013.
