Turtle Beach Corporation

Business Overview

We are the global leader in gaming headsets and have been an innovator in premier audio technology for over 40 years. The Turtle Beach® brand is highly regarded among the over 700 million gamers in North America and Europe where we have a leading market share in gaming headsets for Xbox and PlayStation® consoles. In addition to our gaming headset business, we acquired and developed an innovative and patent-protected sound technology that delivers immersive, directional audio called HyperSound®.

Headset Business

We launched our first gaming headset in 2005 and have grown to be the leading brand in console gaming headsets. We design and market premium audio peripherals for both Xbox and PlayStation® game consoles, as well as for PC, Mac® and mobile/tablet devices. Additionally, we are an officially-licensed partner of Microsoft, delivering innovative and groundbreaking first-to-market products for their latest family of consoles including the latest Xbox One X. Turtle Beach headsets are distributed internationally across North America, South America, Europe, the Middle East, Africa, Australia, and Asia, and are sold at thousands of storefronts, including major retailers such as Amazon, Argos, Best Buy, Game, GameStop, EB Games, Target, and Walmart.

We offer a variety of headsets, spanning multiple retail price points ranging from \$20 to \$300, with offerings compatible across all major gaming platforms. Our price tiers correspond to customer profiles, beginning with “Entry-Level” gamers and progressing through “Casual,” “Enthusiast,” “Core,” and professional gamers including eSports players and fans. Each successive price tier incorporates a higher level of finish, features and technology, progressing from passive mono to amplified stereo, surround sound, and programmable surround sound. Premium headsets have padded leather headbands, accent stitching, and noise-isolating memory foam ear cups. Other features found in select premium headset models include removable microphones, breakaway cables and “charge-and-play” batteries that allow gamers to continue playing even as they recharge their batteries. As gaming consoles have evolved from dedicated video game platforms to home entertainment hubs, and as mobile and tablet devices have become mainstay platforms for entertainment, we have continued to evolve our headsets to reflect how content is consumed.

Each Turtle Beach headset is designed for a “primary” platform, such as a specific console or for the personal computer platform, though many can be used with multiple platforms, and most are compatible with mobile/tablet devices via a standard 3.5mm jack and Bluetooth® connectivity. A primary platform designation paired with our unique, platform-specific packaging designs often result in our products being assorted in multiple sections in-store by retailers, increasing the prominence of the Turtle Beach brand and its products in physical retail locations and online catalogs.

In 2017, we were the leading console gaming headset manufacturer in North America with a 42.1% dollar share of the market, as noted by the December 2017 sales tracking data from The NPD Group, Inc, holding six of the top ten selling Xbox One models and four of the top ten selling PlayStation® 4 models by revenue. Market share in the United Kingdom was 51.8% in 2017 as reported by the GFK Group. We have achieved these high global market shares by delivering high quality products that often include first-to-market innovations and robust features, in addition to superior sound and unmatched comfort - all key factors gamers look for when shopping for a gaming headset.

HyperSound Business

HyperSound technology is a pioneering audio solution that projects sound in a highly directional manner. HyperSound directs a beam of audio to targeted listeners in a specific spot, delivering an immersive, 3D-like audio experience as well as benefits for people with hearing loss. We have also developed and patented the capability to create directed audio from a transparent “speaker” using a set of layered materials on glass. The technology has applications in multiple verticals including retail displays where isolated audio is desired, personal or business audio where a directed beam of audio offers privacy benefits, and living room audio solutions for people with hearing loss.

Our business model for HyperSound has evolved into a licensing strategy, focusing on out licenses to companies in the retail aspect for more precise marketing. In October 2017, we signed a licensing contract with Waves Systems to incorporate HyperSound technology for customer contact points such as retail point of sales, kiosks, digital signage, wayfinding, museum exhibits, meeting halls and more.

Summary of Exchange Agreement and Private Placement

On April 23, 2018, we entered into (i) an Exchange Agreement (the “Exchange Agreement”) with certain funds affiliated with AWM Investment Company, Inc. (the “Special Situations Funds”) and 180 Degree Capital Corp. (“180 Capital”) and (ii) a Settlement Agreement (the “Settlement Agreement”) with Dr. John Bonanno (“Dr. Bonanno”), a former holder of Series B Preferred Stock of VTBH (the “Series B Preferred Stock”). The transactions contemplated by the Exchange Agreement, the Settlement Agreement and the Sale Agreement (as defined below) shall be referred to herein as the “Private Placement.”

Pursuant to the Exchange Agreement, and in connection with the transactions contemplated by the Settlement Agreement and the Sale Agreement, the Company agreed to exchange the Series B Preferred Stock held by the Special Situations Funds and 180 Capital for (i) an aggregate of 1,307,143 shares of Common Stock and (ii) Warrants exercisable for an aggregate of 550,000 shares of Common Stock. The Exchange Agreement also includes the other terms and conditions of the exchange, as well as representations and warranties, covenants and conditions customary in agreements of this type.

Pursuant to the Settlement Agreement, Special Situations Funds and 180 Capital agreed to purchase the Series B Preferred Stock pursuant to a privately negotiated purchase and sale agreement with Dr. Bonanno (the “Sale Agreement”) and the Company agreed to waive its right of first refusal with respect to the Series B Preferred Stock in connection with the Sale Agreement. In addition, pursuant to the Settlement Agreement, Dr. Bonanno agreed to discontinue certain previously disclosed claims and actions against the Company related to the Series B Preferred Stock, as well as to provide a release of the Company with respect to all such claims and any other claims related to Dr. Bonanno’s ownership or disposition of the Series B Preferred Stock. In connection with and as consideration thereof, the Company agreed to pay Dr. Bonanno a cash sum of \$950,000 for attorneys’ fees and to settle non-redemption claims in connection with the matter, and to pay an additional \$1,250,000 if a change of control transaction meeting certain specified requirements is consummated within three years of the date of the Settlement Agreement.

[Table of Contents](#)

The transactions contemplated by the Exchange Agreement and Settlement Agreement closed on April 26, 2018. Accordingly, all exchanged shares of Series B Preferred Stock have been retired and no shares of Series B Preferred Stock remain outstanding. As of March 31, 2018, the redemption value of the Series B Preferred Stock was approximately \$19.3 million.

On April 23, 2018, in connection with the Exchange Agreement, we entered into a Registration Rights Agreement (the "Registration Rights Agreement") with the Special Situations Funds and 180 Capital pursuant to which, among other things, we agreed to register the shares of Common Stock issued or issuable in the Private Placement (the "Registrable Securities") for sale or other disposition by the Selling Stockholders. Pursuant to the Registration Rights Agreement, we agreed to file a registration statement (the "Registration Statement") with the Commission for resale or other disposition of the Registrable Securities within 30 days following the close of the Offering and to use our commercially reasonable efforts to cause the Registration Statement to be declared effective as soon as practicable after the filing thereof. This Registration Statement satisfies our obligation to file a Registration Statement.

In the event that, among other things, this Registration Statement (i) is not declared effective by the earlier of (A) five business days after the Commission informs us that no review of the Registration Statement will be made or that the Commission has no further comments on the Registration Statement and (B) 90 days following the close of the Private Placement, or (iii) after the effective date of the Registration Statement sales cannot be made thereunder (other than certain allowed delays), we have agreed to make payments to the holders of the Registrable Securities as liquidated damages in an amount equal to 1.5% of the aggregate amount invested by each such holder per 30-day period the Registration Statement has not been declared effective. In addition, we have agreed to keep the Registration Statement continuously effective (subject to certain allowed delays) until the earlier of (i) the date on which all Registrable Securities covered by such Registration Statement as amended from time to time, have been sold or otherwise disposed of pursuant to the Registration Statement or in a transaction in which the transferee receives freely tradable shares, and (ii) the date on which the Registrable Securities no longer constitute "Registrable Securities."

Warrants Issued in the Private Placement

As of May 22, 2018, there were 550,000 Warrants issued and outstanding. The Warrants are pre-funded, immediately exercisable and subject to customary anti-dilution adjustments. The Warrants do not expire prior to exercise, and no additional consideration is payable for the exercise of the Warrants. The Warrants are subject to a provision prohibiting the exercise of such Warrants to the extent that, after giving effect to such exercise, the holder of such Warrant (together with the holders' affiliates, and any other persons acting as a group together with the holder or any of the holders' affiliates), would beneficially own in excess of 9.99% of the outstanding Common Stock.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus, any applicable prospectus supplement and the documents incorporated by reference herein and therein include certain forward-looking statements within the meaning of the federal securities laws. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. Any such forward-looking statements are subject to various risks and uncertainties, including without limitation those discussed in the sections of this prospectus entitled “Prospectus Summary – Business Overview” and “Risk Factors.”

Forward-looking statements are only predictions and are not guarantees of performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Important assumptions relating to the forward-looking statements include, among others, assumptions regarding demand for our products, the expansion of product offerings geographically or through new marketing applications, the timing and cost of planned capital expenditures, competitive conditions and general economic conditions. These assumptions could prove inaccurate. Forward-looking statements also involve known and unknown risks and uncertainties, which could cause actual results to differ materially from those contained in any forward-looking statement. In addition, even if our actual results are consistent with the forward-looking statements contained in this prospectus, any applicable prospectus supplement and the documents incorporated by reference herein and therein, those results may not be indicative of results or developments in subsequent periods. Many of these factors are beyond our ability to control or predict. Such factors include, but are not limited to, the following:

- The availability of capital under our revolving credit facility and term loan;
- Our dependence on the success and availability of third-party platforms and software to drive sales of our headset products;
- Continued relationships with our largest customers;
- Our ability to adapt to new technologies and introduce new products on a timely basis;
- The impact of competitive products, technologies and pricing;

- Cybersecurity and other information technology risks;
- Our success at managing the risks involved in the foregoing items;
- Our ability to maintain our listing on the Nasdaq Stock Exchange;
- Our financial performance; and
- Other factors discussed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and our Quarterly Report on Form 10-Q for the period ended March 31, 2018.

Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Commission we undertake no obligation to publicly update or revise any forward-looking statements after we file this prospectus or any prospectus supplement, whether as a result of any new information, future events or otherwise. Investors, potential investors and other readers are urged to consider the above-mentioned factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results or performance.

USE OF PROCEEDS

We will receive no proceeds from the sale of the Common Stock by the Selling Stockholders or any exercise of the Warrants.

We will pay all expenses associated with effecting the registration of the shares covered hereby, including filing and printing fees, our counsel and accounting fees and expenses, costs associated with clearing the shares for sale under applicable state securities laws, listing fees, fees and expenses of one counsel to the Selling Stockholders up to an aggregate of \$10,000 and the Selling Stockholders' other reasonable out-of-pocket expenses in connection with the registration, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the shares being sold.

SELLING STOCKHOLDERS

This prospectus relates to the resale or other disposition from time to time by the Selling Stockholders identified herein (including their donees, pledgees, transferees or other successors-in-interest) of, subject to adjustment, 1,857,143 shares of Common Stock. Of these shares, (a) 1,307,143 shares are issued and outstanding and (b) 550,000 shares are issuable upon the exercise of the Warrants. In connection with the Private Placement, we entered into the Registration Rights Agreement with the Special Situations Funds and 180 Capital. We are filing this prospectus pursuant to our obligations to register the shares of Common Stock on behalf of the Selling Stockholders under the Registration Rights Agreement. All expenses incurred with the registration of the Common Stock owned by the Selling Stockholders will be borne by us. This prospectus will not cover subsequent sales of Common Stock purchased from a Selling Stockholder named in this prospectus.

We cannot predict when or whether any of the Selling Stockholders will sell their Common Stock or exercise their Warrants and even if they do, we do not know how long the Selling Stockholders will hold the shares acquired upon exercise, as applicable, before selling them, and we currently have no agreements, arrangements or understandings with the Selling Stockholders regarding the sale or other disposition of any of the shares. The shares covered hereby may be sold or otherwise disposed of from time to time by the Selling Stockholders.

Furthermore, we do not know when or in what amounts the Selling Stockholders may sell or otherwise dispose of the shares covered hereby. The Selling Stockholders might not sell any or all of the shares covered by this prospectus or may sell or dispose of some or all of the shares other than pursuant to this prospectus. Because the Selling Stockholders may not sell or otherwise dispose of some or all of the shares covered by this prospectus and because there are currently no agreements, arrangements or understandings with respect to the sale or other disposition of any of the shares, we cannot estimate the number of the shares that will be held by the Selling Stockholders after completion of the offering. For purposes of the table below, we have assumed that the Selling Stockholders will have sold all of the shares covered by this prospectus upon completion of the applicable offering.

The table below presents information regarding the Selling Stockholders and the shares of our Common Stock that they may sell or otherwise dispose of from time to time under this prospectus. The percentage of beneficial ownership is based upon 13,654,150 shares of Common Stock issued and outstanding as of May 22, 2018. Beneficial ownership is determined under Section 13(d) of the Exchange Act and generally includes voting or investment power with respect to securities and includes any securities that grant the Selling Stockholders the right to acquire Common Stock within 60 days of May 22, 2018, except that, for purposes of the table below, we have not given effect to the beneficial ownership limitation in the Warrants. Information in the table below is based on information provided by or on behalf of the Selling Stockholders. Since the date on which they provided us with the information below, the Selling Stockholders may have sold, transferred or otherwise disposed of some or all of the shares in transactions exempt from the registration requirements of the Securities Act.

The Selling Stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a Selling Stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of Common Stock or interests in shares of Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this Prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

The Selling Stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as Selling Stockholders under this prospectus. The Selling Stockholders also may transfer the shares of Common Stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our Common Stock or interests therein, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The Selling Stockholders may also sell shares of our Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities that require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

[Table of Contents](#)

The aggregate proceeds to the Selling Stockholders from the sale of the Common Stock offered by them will be the purchase price of the Common Stock less discounts or commissions, if any. Each of the Selling Stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of Common Stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The Selling Stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act provided that they meet the criteria and conform to the requirements of that rule.

The Selling Stockholders and any underwriters, broker-dealers or agents that participate in the sale of the Common Stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our Common Stock to be sold, the names of the Selling Stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the Common Stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the Common Stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the Selling Stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the Selling Stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the Selling Stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Selling Stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the Selling Stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the Selling Stockholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (i) the date that such securities become eligible for resale without volume or manner-of-sale restrictions and without current public information pursuant to Rule 144 and certain other conditions have been satisfied, or (ii) all of the securities have been sold or otherwise disposed of pursuant to the registration statement of which this prospectus forms a part or in a transaction in which the transferee receives freely tradable shares. We are registering the shares of Common Stock issued to the Selling Stockholders in connection with the Private Placement and issuable upon exercise of the Warrants to permit the resale of these shares of Common Stock by the holders thereof from time to time after the date of this prospectus, pursuant to the provisions of the Registration Rights Agreement. As used in this prospectus, “Selling Stockholders” includes donees, pledgees, transferees or other successors-in-interest selling shares received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other permitted transfer.

We will not receive any of the proceeds from the sale by the Selling Stockholders of the shares of Common Stock. We will bear all fees and expenses incident to our obligation to register the shares of Common Stock.

Item 14. Other Expenses of Issuance and Distribution

The following is a statement of the expenses (all of which are estimated) to be incurred by us in connection with a distribution of the Common Stock registered under this registration statement:

SEC registration fee	\$3,821.98
Legal fees and expenses	*
Accounting fees and expenses	*
Printing fees	*
Trustee's fees and expenses	*
Miscellaneous	*
Total	\$ *

* The estimated expenses are presently indeterminable and will be set forth in the applicable prospectus supplement with respect to any offering of the Common Stock registered hereunder.

Item 15. Indemnification of Directors and Officers

The summary set forth below does not purport to be complete and is subject to and qualified in its entirety by reference to our Articles of Incorporation, as amended, and Bylaws, as amended, each of which is incorporated by reference as an exhibit to the registration statement of which this prospectus is a part, and the applicable provisions of the Nevada Revised Statutes ("NRS").

Our officers and directors are indemnified as to personal liability as provided by the NRS, our articles of incorporation and our bylaws. Section 78.7502 of the NRS provides that a corporation may eliminate personal liability of an officer or director to the corporation or its stockholders for breach of fiduciary duty as an officer or director provided that such indemnification is limited if such party acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interest of the corporation.

Our articles of incorporation and bylaws state that we shall indemnify our directors and officers to the fullest extent not prohibited by the NRS. Except under limited circumstances, our bylaws provide that we will advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or officer, prior to the final disposition of the proceeding, promptly following request therefore, all expenses incurred by any director or officer in connection with such proceeding upon receipt of an undertaking by or on behalf of such person to repay said amounts if it should be determined ultimately that such person is not entitled to be indemnified. In addition, to the fullest extent permitted by the NRS, we may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to our bylaws.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 16. Exhibits

The exhibits to this registration statement are listed in the exhibit index that immediately precedes such exhibits and is incorporated herein by reference.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering

described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as special counsel for Turtle Beach Corporation, a Nevada corporation (the “Company”), and are delivering this opinion, in connection with the preparation of a Registration Statement on Form S-3 (together with all exhibits thereto, the “Registration Statement”) to be filed with the Securities and Exchange Commission (the “Commission”), with respect to the registration under the Securities Act of 1933, as amended, for the resale from time to time by the selling stockholders set forth in the Registration Statement (the “Selling Stockholders”), of, subject to adjustment, 1,857,143 shares (the “Shares”) of the common stock, par value \$0.001 per share (the “Common Stock”), of the Company consisting of (a) 1,307,143 shares which are issued and outstanding and (b) 550,000 shares which are issuable upon the exercise of pre-funded warrants to purchase shares of Common Stock (the “Warrants”). The Registration Statement provides that the Common Stock may be offered in amounts, at prices and on terms to be set forth in one or more supplements to the Prospectus. This opinion letter is being furnished to the Company in accordance with the requirements of Item 601(b)(5) under Regulation S-K of the Act, and we express no opinion herein as to any matter other than as to the legality of the Common Stock.

We have examined the Registration Statement, the Company’s Articles of Incorporation and Bylaws, each as amended, and such other documents, records, certificates, memoranda, and other instruments as we deem necessary as a basis for this opinion. We have assumed the genuineness and authenticity of all documents submitted to us as originals, the conformity of originals of all documents submitted to us as copies thereof, and the due execution and delivery of all documents where due execution and delivery are a prerequisite to the effectiveness thereof.

We express no opinion as to the applicability or compliance with or effect of federal law or the law of any jurisdiction other than Nevada.

In rendering this opinion, we have examined such matters of fact as we have deemed necessary in order to render the opinion set forth herein, which included examination of the following:

1. the Registration Statement in the form to be filed with the Commission under the Securities Act on the date hereof;
2. the Articles of Incorporation of the Company (formerly known as Parametric Sound Corporation), as filed with the Secretary of State of the State of Nevada (the “Secretary of State”) on June 2, 2010, as amended by Certificates of Amendment to Articles of Incorporation filed with the Secretary of State on March 20, 2012, May 20, 2014, and June 18, 2015, and a Certificate of Change filed with the Secretary of State on April 5, 2018, all as certified by the Secretary of State as of a recent date;
3. the Bylaws of the Company, as previously provided to us by the Company; and
4. the Resolutions of the Board of Directors of the Company, adopted April 17, 2018, as previously provided to us by the Company.

Based upon our examination, subject to the assumptions stated above and relying on the statements in the documents we have examined, we are of the opinion that:

The Shares, when issued upon exercise of the Warrants in accordance with the terms thereof, as applicable, are or will be validly issued, fully paid and non-assessable.

We hereby consent to your filing this opinion with the Commission as an exhibit to the Registration Statement and to the use of our name wherever it appears in the Registration Statement. In giving this consent, we do not consider that we are “experts” within the meaning of such term as used in the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission issued thereunder, with respect to any part of the Registration Statement, including this opinion as an exhibit or otherwise.

It is understood that this opinion is to be used only in connection with the offer of the Shares while the Registration Statement is in effect.

Very truly yours,

/s/ Snell & Wilmer L.L.P.
