THE DONERAIL MASTER FUND LP

_____, 2022

Dear Fellow Stockholders:

The Donerail Group LP, a Delaware limited partnership (the “Donerail Group”), together with the other participants in this solicitation (collectively, “Donerail” or “we”), are significant stockholders of Turtle Beach Corporation, a Nevada corporation (“HEAR” or the “Company”), who beneficially own, in the aggregate, 1,374,865 shares of common stock, \$0.001 par value per share (the “Common Stock”), of the Company, constituting approximately 8.3% of the outstanding Common Stock. We are seeking your support at the 2022 Annual Meeting of Stockholders (the “Annual Meeting”) to elect Donerail’s six highly-qualified nominees to the Company’s Board of Directors (the “Board”).

Donerail believes HEAR has suffered from a prolonged period of disappointing operating and financial results, poor corporate governance and questionable capital allocation. We believe HEAR’s boardroom urgently needs wholesale change in order to address these serious concerns, provide renewed accountability to stockholders and catalyze enhanced value creation. To that end, we have invested significant time and resources recruiting a world-class slate that we believe, if elected, would bring the right skills and perspectives to the Board. We are seeking your support at the Annual Meeting to elect our slate of six highly-qualified and capable candidates.

If elected, our nominees, subject to their fiduciary duties, are committed to implementing a comprehensive turnaround plan aimed at unlocking the full potential of HEAR. We look forward to publicly releasing a comprehensive turnaround plan over the coming weeks. While we have confidence that our director nominees’ plans for HEAR will put the Company on the right path towards substantial stockholder value creation, there can be no assurance that the implementation of this comprehensive turnaround plan will ultimately enhance stockholder value. In the event that our director nominees comprise less than a majority of the Board following the Annual Meeting, there can be no assurance that any actions or changes proposed by our director nominees, including the implementation of any turnaround plan, will be adopted or supported by the Board.

There are currently six (6) directors serving on the Board, all of whom have terms expiring at the Annual Meeting. Through the attached Proxy Statement and enclosed WHITE proxy card, we are soliciting proxies to elect only our six (6) nominees. Accordingly, the enclosed WHITE proxy card may only be voted for our nominees and does not confer voting power with respect to any of the Company’s director nominees. You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. Stockholders should refer to the Company’s proxy statement filed with the Securities and Exchange Commission for the names, backgrounds, qualifications and other information concerning the Company’s nominees.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed WHITE proxy card today. The attached Proxy Statement and the enclosed WHITE proxy card are first being furnished to the stockholders on or about _____, 2022.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated WHITE proxy card or by voting in person at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Saratoga Proxy Consulting LLC, which is assisting us, at its address and toll-free number listed below.

Thank you for your support,

The Donerail Group LP
William Wyatt

**PROXY STATEMENT
OF
THE DONERAIL MASTER FUND LP**

PLEASE SIGN, DATE AND MAIL THE ENCLOSED WHITE PROXY CARD TODAY

The Donerail Group LP, a Delaware limited partnership (the “Donerail Group”), together with the other participants in this solicitation (collectively, “Donerail” or “we”), are significant stockholders of Turtle Beach Corporation, a Nevada corporation (“HEAR”, “Turtle Beach” or the “Company”), who beneficially own, in the aggregate, 1,374,865 shares of common stock, \$0.001 par value per share (the “Common Stock”), of the Company, constituting approximately 8.3% of the outstanding Common Stock.

We believe that the Board of Directors of the Company (the “Board”) must be reconstituted to ensure that the interests of the stockholders, the true owners of HEAR, are appropriately represented in the boardroom. To that end, we have nominated six (6) highly-qualified directors who have strong, relevant backgrounds. We are seeking your support at the Company’s 2022 Annual Meeting of Stockholders scheduled to be held virtually on June 7, 2022 at 9:00 a.m., Pacific Time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”), for the following:

1. To elect Donerail’s six director nominees, Terry Jimenez, Michelle D. Wilson, Katherine L. Scherping, Brian Stech, William Wyatt and Kimberly Kreuzberger (each a “Nominee” and, collectively, the “Nominees”) to serve until the next annual meeting of stockholders and until their successors are elected and qualified;
2. To vote to ratify the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022;
3. To vote in an advisory manner on the compensation of the Company’s named executive officers; and
4. To transact such other business that is properly presented at the Annual Meeting and any adjournments or postponements thereof.

This Proxy Statement and the enclosed WHITE proxy card are first being mailed to stockholders on or about [_____], 2022.

The Company has disclosed that the Annual Meeting will be held exclusively online via a virtual meeting format on the Internet. You will not be able to attend the Annual Meeting in person at a physical location. In order to attend the Annual Meeting, you must pre-register by visiting www.cesonlineservices.com/hear22_vm. According to the Company’s proxy statement, stockholders and/or their designated representatives will need to pre-register by 9:00 am, Pacific Time on June 6, 2022 in order to attend the Annual Meeting. According to the Company’s proxy statement, all stockholders participating online will be in listen-only mode but will have an opportunity to submit questions and vote. In order to participate, you will need either your WHITE proxy card or the proxy card you receive from the Company, each of which contain your control number. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record also may be voted electronically during the Annual Meeting.

Donerail believes the terms of all six (6) directors currently serving on the Board expire at the Annual Meeting. This Proxy Statement is only soliciting proxies to elect the Nominees. Accordingly, the enclosed WHITE proxy card does not confer voting power with respect to any of the Company's director nominees. You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications, and other information concerning the Company's director nominees. If all six (6) of our Nominees are elected, they will constitute a majority of the Board.

The Company has set the close of business on April 8, 2022 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). Each outstanding share of Common Stock is entitled to one vote on each matter to be voted upon at the Annual Meeting. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. According to the Company, as of the Record Date, there were 16,478,974 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. The mailing address of the principal executive offices of the Company is 44 South Broadway, 4th Floor, White Plains, New York 10601.

As of the date hereof, Donerail Group, together with The Donerail Master Fund, LP, a Cayman Islands exempted limited partnership ("Donerail Master Fund"), The Harbert Donerail Fund GP LLC, a Delaware limited liability company ("Donerail Master GP"), The Donerail Group GP LLC, a Delaware limited liability company ("Donerail Group GP"), Harbert Fund Advisors, Inc., an Alabama corporation ("HFA"), Harbert Management Corporation, an Alabama corporation ("HMC"), SCW Capital, LP, a Texas limited partnership ("SCW Capital"), SCW Capital QP, LP, a Texas limited partnership ("SCW QP" and together with SCW Capital, the "SCW Funds"), SCW Capital Management, LP, a Texas limited partnership ("SCW Management"), Trinity Investment Group, LLC, a Delaware limited liability company ("Trinity"), Robert Cathey (together with SCW Capital, SCW QP, SCW Management and Trinity, "SCW"), and the Nominees (each a "Participant" and collectively, the "Participants"), collectively beneficially own 1,374,865 shares of Common Stock (the "Donerail Group Shares"). We intend to vote the Donerail Group Shares **FOR** the election of the Nominees, **FOR** the ratification of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022 and **AGAINST** the compensation of the Company's named executive officers.

While we currently intend to vote all of the Donerail Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Donerail Group Shares for some or all of the Company's director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. If all of our Nominees are elected, our Nominees are willing to add back to the Board up to two incumbent directors. In this event, our Nominees would endeavor to meet with certain of the incumbent directors following the Annual Meeting to determine which ones have the skill sets, experience and perspectives that will best complement the newly composed Board. We have not determined the specific incumbent directors that our Nominees would consider adding back to the Board at this time. Any decision would depend upon not only the credentials of such incumbent directors, but also upon any such incumbent director's willingness to serve on the Board together with our Nominees. We would only intend to vote some or all of the Donerail Group Shares for some or all of the Company's director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Donerail Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand, however, that all shares of Common Stock represented by the enclosed WHITE proxy card will be voted at the Annual Meeting as marked.

THIS SOLICITATION IS BEING MADE BY DONERAIL AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY. WE ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS SET FORTH IN THIS PROXY STATEMENT. SHOULD OTHER MATTERS, WHICH DONERAIL IS NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED WHITE PROXY CARD WILL VOTE ON SUCH MATTERS IN OUR DISCRETION.

BACKGROUND OF THE SOLICITATION

The following is a chronology of material events leading up to this proxy solicitation:

- In February and March of 2021, representatives of Donerail met with representatives of the Company, including Juergen Stark, the Chief Executive Officer of the Company, to inform the Company that Donerail had become a large stockholder and to discuss ways to create stockholder value.
- On March 18, 2021, Mr. Stark and Chief Financial Officer, John Hanson, held a virtual call with representatives of Donerail to discuss a presentation Donerail had assembled regarding value creation opportunities at the Company. This presentation included, among other topics, (i) Donerail's analysis regarding Turtle Beach's underwhelming stock price performance, (ii) Donerail's analysis regarding options to create stockholder value at the Company, and (iii) Donerail's view that a Board re-composition was necessary.
- In March and April of 2021, Donerail continued to attempt to engage with the Company on ways to create stockholder value, but when it became apparent that the Board and management team seemed unwilling to consider Donerail's proposals, Donerail decided to turn its efforts to acquiring the Company.
- On April 27, 2021, Donerail sent the Board an initial offer letter detailing Donerail's willingness to acquire the Company at a price of \$34.50 per share.
- On May 5, 2021, Mr. Stark emailed Donerail stating that he had been busy with earnings preparation and would connect Donerail with the Company's bankers at Bank of America ("BofA").
- On May 10, 2021, Mr. Stark connected Donerail with the Company's bankers at BofA. Donerail asked Mr. Stark if he had a moment to speak, which Mr. Stark declined. Donerail followed up stating that the request was important and Mr. Stark responded by informing Donerail that M&A matters should be directed to BofA and investor relations matters should be directed to investor relations despite the previous dialogue between Donerail and the Company.
- On June 16, 2021, Donerail sent a letter to Mr. Stark stating its disappointment at the Board's reluctance to engage with Donerail as a prospective buyer and requested that the letter to be sent to the rest of the Board.
- On June 22, 2021, Donerail emailed Mr. Stark encouraging Mr. Stark not to let his personal motivations as the Company's Chief Executive Officer and a member of the Board prevent the sale of the Company and get in the way of what was right for the Company's stockholders.
- Throughout July and August 2021, Donerail attempted in good faith to engage with the Company's Board of Directors to pursue a transaction.
- On July 19, 2021, Donerail released an open letter to Mr. Stark and the Board disclosing, among other things, Donerail's significant concern regarding the Company's rejection of Donerail's attractive offer to purchase the entirety of the Company and detailing Donerail's unwavering commitment to continue to work to maximize value for all Turtle Beach stockholders. In the open letter, Donerail highlighted its growing fear that the Board's seeming refusal to assess certain value-creating actions that would enrich stockholders may be due to the Board's desire to protect the positions of management and the Board.

- On August 9, 2021, the Donerail Group, William Wyatt, HFA and HMC (together, the “Reporting Parties”) filed a Schedule 13D (the “Schedule 13D”) with the SEC, disclosing an ownership stake in the Company of 6.4% and discussing Donerail’s July 19th open letter to the Board and April 27th acquisition proposal.
- On August 10, 2021, Mr. Wyatt emailed the Board stating that Donerail was prepared to make themselves available to meet with the Board.
- On August 19, 2021, Donerail issued a press release disclosing that it had increased its previous offer to acquire the Company to \$36.50 per share, which was a 42% premium from the Company’s August 18, 2021 closing price of \$25.70 per share. Despite this increased offer, the Board decided to reject the acquisition proposal and indicated that it would only be willing to re-engage if Donerail provided a proposal at a “meaningfully” higher price.
- On August 20, 2021, the Reporting Parties filed an Amendment No. 1 to the Schedule 13D disclosing a 6.9% ownership stake in the Company and discussing the August 19th press release.
- On September 1, 2021, the Reporting Parties filed an Amendment No. 2 to the Schedule 13D.
- On September 16, 2021, Donerail met with members of the Board, including Ms. Hung, Ms. Thompson and Mr. Keitel.
- On October 26, 2021, the Reporting Parties filed an Amendment No. 3 to the Schedule 13D disclosing an ownership stake of 7.4%.
- On December 15, 2021, Donerail issued a press release detailing its disappointment with the Board’s lack of engagement with Donerail following Donerail’s August 19th offer to acquire the Company for \$36.50 per share, which was a 70% premium from the closing share price on December 14, 2021. Donerail also called on the Company to initiate or publicly disclose its strategic review process and declared its intent to enter into a customary non-disclosure agreement and standstill provisions in connection with a strategic review process.
- On December 20, 2021, Donerail sent the Board and Company management Donerail’s non-binding Letter of Intent to acquire the entirety of the Company for a price of \$32.86 per share.
- On December 22, 2021, Donerail issued a press release announcing that it had presented a revised offer to the Board on December 20, 2021 to acquire the Company in an all-cash transaction at the proposed price of \$32.86 per share.
- On January 18, 2022, representatives from Donerail had a meeting with Mr. Stark and Mr. Hanson regarding the Company’s poor operating performance.
- On January 25, 2022, the Reporting Parties filed an Amendment No. 5 to the Schedule 13D.
- On February 23, 2022, the Reporting Parties filed an Amendment No. 6 to the Schedule 13D.
- On March 1, 2022, the Reporting Parties filed an Amendment No. 7 to the Schedule 13D.

- On March 2, 2022, Donerail issued a press release and open letter to the Company’s stockholders announcing that it had withdrawn its offer to acquire the Company and disclosing its intent to nominate a full slate of director candidates for election to the Board at the Annual Meeting.
- On March 3, 2022, there was a virtual meeting between Mr. Stark and Mr. Hanson with Donerail to discuss the Company’s recent disappointing earnings release.
- Also on March 3, 2022, Donerail issued a press release and open letter to the Company’s stockholders thanking stockholders for their overwhelmingly positive response to Donerail’s announcement of its intent to nominate director candidates to the Board as well as discussing its disappointment with the Company’s fourth quarter 2021 results and 2022 annual guidance.
- On March 4, 2022, the Reporting Parties filed an Amendment No. 8 to the Schedule 13D disclosing a 7.3% ownership stake in the Company and discussing the March 2nd and March 3rd press releases and open letters to stockholders.
- On March 13, 2022, Mr. Stark emailed Mr. Wyatt copying certain other representatives of the Company regarding the Company’s level of engagement with Donerail over the past year and offered initial terms of a settlement agreement.
- Between March 13, 2022 and April 18, 2022, counsel for the Company and counsel for Donerail corresponded at various times to discuss certain matters including, but not limited to, the terms of a potential settlement agreement between Donerail and the Company and the Books and Record Request.
- On March 22, 2022, the Donerail Group delivered a notice of nomination (the “Nomination Notice”) to the Company nominating six candidates, Terry Jimenez, Michelle D. Wilson, Katherine L. Scherping, Brian Stech, William Wyatt and Kimberly Kreuzberger, for election to the Board at the Annual Meeting.
- Also on March 22, 2022, the Reporting Parties and SCW filed an Amendment No. 9 to the Schedule 13D announcing the delivery of the Nomination Notice and disclosing that Donerail and SCW had entered into a joint filing and solicitation agreement to, among other things, form a group to solicit proxies or written consents for the election of the Nominees, or any other person(s) nominated by the group, at the Annual Meeting.
- Also on March 22, 2022, the Company issued a press release confirming its receipt of the Nomination Notice and discussing the Company’s ongoing engagement with Donerail.
- On March 29, 2022, certain of the members of Donerail delivered a letter to the Company requesting access to and inspection of certain books, records and documents of the Company pursuant to Section 78.105 of the Nevada Revised Statutes (the “Books and Records Request”).
- On April 4, 2022, the Company, through its counsel, responded to the Books and Records Request.
- On April 5, 2022, Donerail delivered a supplement to the Nomination Notice to the Company updating certain information that was contained in the Nomination Notice.
- On April 8, 2022, the Company filed its preliminary proxy statement with the SEC.
- On April 12, 2022, Donerail and Mr. Jimenez issued a joint statement regarding Donerail’s prior acquisition efforts at Turtle Beach and financing capabilities. In the press release, the Donerail Group noted that while it is no longer focused on an acquisition of Turtle Beach, the Donerail Group believes the Company has attempted to distort the historical interactions between the parties, and as such, the Donerail Group felt compelled to clarify certain aspects of its prior interactions with the Company. Mr. Jimenez, former CEO and director of Tribune Publishing (“Tribune”), stated that based on his experience with Donerail while serving at Tribune, “Donerail quickly completed confirmatory due diligence and cemented nearly \$500 million of committed financing to acquire the entirety of Tribune.... While Donerail’s bid did not lead to a mutually agreeable transaction, Donerail proved to have the resources and network to credibly raise a substantial amount of capital.”
- On April 14, 2022, Donerail filed a preliminary proxy statement.
- On April 18, 2022, the Company filed a revised preliminary proxy statement.
- On April 20, 2022, Donerail filed this revised preliminary proxy statement.

REASONS FOR THE SOLICITATION

THE OPPORTUNITY IS CLEAR. THE TEAM IS SET. THE TIME IS NOW.

Donerail and the other participants in its solicitation collectively represent one of the largest stockholders of Turtle Beach. Our many months of engagement with leadership and extensive analysis of Turtle Beach's capital allocation decisions, corporate governance, operations and historical performance have led us to conclude that the Company is plagued by a number of value-destructive issues. We see an array of governance, financial and strategic lapses that need to be immediately addressed by a more focused, open-minded and self-aware leadership team. Fortunately, if material improvements are overseen by a reconstituted Board, we believe Turtle Beach can reemerge as a growing gaming peripheral industry powerhouse.

It is important to stress that Donerail has tried to engage in good faith with the current Board and management team to share our analysis and provide constructive recommendations. We did not want to run an election contest. In fact, we presented to the Board and management team over a year ago, in March 2021, a comprehensive analysis of how we believed Turtle Beach's share price could be materially increased. Our engagement has continued and included sending numerous letters, having several principal-to-principal discussions and facilitating frequent advisor-to-advisor interactions. We have gone to these great lengths because we believe there is a significant amount of upside value trapped within Turtle Beach's languishing shares – and we want to unlock that value for all stockholders.

We previously made highly-competitive proposals to acquire Turtle Beach, but after the Board refused to engage with us in a constructive manner, we withdrew our most recent offer and are now fully committed to turning around the Company in the public market and for the benefit of all stockholders. Our goal is singular – to overhaul the Board and implement a credible operating plan that we feel can revitalize the corporate culture and produce long-term, sustainable value.

We have recruited and nominated a well-rounded slate of experienced operators with expertise in gaming, capital allocation, strategic transactions, matters of corporate finance, operational turnarounds, supply chain management and, critically, effective public company governance and compensation programs. With the help of our network of consultants and advisors, we have also developed an operating plan that we are continuing to refine that we believe would unlock the full potential of Turtle Beach's unique assets and allow for equity value creation performance at least on par with (and hopefully surpassing) its best-in-class competitors. We believe this is the right time to reconstitute the Board with superior, stockholder-nominated directors that can reset Turtle Beach and help reverse years of chronic underperformance.

THE BOARD HAS PRESIDED OVER LONG-TERM FINANCIAL UNDERPERFORMANCE DURING MR. STARK'S TENURE AS CEO

For far too long, we believe stockholders have had to suffer and bear witness as the Board has presided over what is, in our view, chronic underperformance, dismal operating results, poor capital allocation and weak corporate governance. Since Mr. Stark took over as Chief Executive Officer in January 2014, Turtle Beach's shares are down approximately 60% while the Russell 2000 Index is up over 90%, the S&P 500 Index is up over 170% and the Company's own proxy peer group is up over an average of 190%.¹ Additionally, under Mr. Stark and the rest of the Board's oversight, EBITDA margins have been cut in half and growth has seemingly slowed to a halt. This downward trend was further highlighted by the Company's annual 2021 earnings results, which reported a 2021 EBITDA that was below the guidance that Company management had set for itself in the middle of 2021.² Despite this, Mr. Stark has made a point to detail the Company's continued interest and appetite to acquire businesses on a recent earnings call even with, what we believe, has been a historic inability to generate a meaningful return-on-investment for Turtle Beach shareholders and what appears to us to be a significant misuse of capital.

¹ Per Bloomberg. Proxy peer group includes 2020 Peer Group companies listed in the Company's 2021 proxy statement that were public when Parametric Sound completed its merger with Turtle Beach.

² Turtle Beach Corporation Press Release, dated March 2, 2022.

We recognize that the Board enjoys using the tagline “Consistent Strong Performance Has Enabled the Company to Deliver Five Year Total Shareholder Returns of Over 350%”.³ This statement, however, obscures the fact that five years ago exogenous forces dramatically increased the value of the Company’s entire industry, gaming peripherals, but in the past 4 years, HEAR’s stock has performed poorly in an absolute sense and relative to its peers. The timeframe chosen by the Board also conveniently left out the massive value destruction from when Mr. Stark took over as public Company CEO up until 5 years ago, during which time the Turtle Beach stock price declined from over \$55 per share to less than \$2 per share.

It is important to understand why the Board continues to reference “the five year total return”; just over five years ago, a structural macro shift occurred in the video game peripheral industry– the onset of “Battle Royale” games. In 2018 all console and PC headset makers alike benefited because “Battle Royale” games make the headset just as necessary as the controller. Consequently, attach rates increased from less than 50% to ~100%, significantly increasing demand for gaming headsets. This phenomenon is one of the core tenants of our investment thesis: macro demand for headsets will continue far into the future due to the importance of the headset to the gaming experience.

Nevertheless, when we evaluate management teams and Boards of Directors, we try our best to normalize for unforeseen macroeconomic factors that may have benefitted the business, such as the onset of “Battle Royale” games. In fact, if we evaluate HEAR’s stock performance AFTER the onset of “Battle Royale” games, then it has performed extremely poorly. In July 2018, HEAR’s stock price had experienced a historic rise due to this specific macro benefit as clearly articulated in the following research note from Oppenheimer:

“Hardcore gamers have known this; Fortnite and PUBG [Battle Royale games] proved to the casual gamers that headsets are necessary to excel in games. We increase our 2018 estimates above guidance as we see these trends picking up speed as we head into the back half of the year.” Oppenheimer and Company, July 23, 2018.

If we compare HEAR’s stock price performance from the date of this research note to the broader market and its core peers, the Company has woefully underperformed. Since then, HEAR has underperformed gaming peripheral peer Logitech International S.A. (Nasdaq: LOGI) (“Logitech”) by ~75% and the Russell 2000 by ~50%.⁴

Further, when Mr. Stark became CEO after the Parametric Sound merger, Turtle Beach’s Enterprise Value was ~\$600 million, compared to Logitech’s Enterprise Value of ~\$1.7 billion. HEAR was ~35% the size of Logitech. Now, after being exposed to all the same macro trends, opportunities and challenges, HEAR is less than 3% the size of Logitech. Over the past eight years, since Mr. Stark has been CEO, Logitech has managed to grow its Enterprise Value by ~\$10 billion while Turtle Beach’s value has been halved.⁵ We believe this is due to the Board’s lack of oversight on capital allocation as well as their inability to hold the CEO accountable.

It is apparent to us that the Board has allowed management to eschew value creation opportunities, fail to execute on a straightforward operating plan, and consistently misallocate capital.

³ Per the Company’s press release issued on March 22, 2022.

⁴ Per Bloomberg.

⁵ Per Bloomberg.

Our analysis of Turtle Beach has made it clear to us that there are several large opportunities for improvement and value creation:

- **There is a clear opportunity for operational improvements.** We believe there exists significant evidence that the business has been severely mismanaged, and there is a clear path to meaningfully improving operating margins in the near-term.
- **There is a clear opportunity to optimize what has been a questionable capital allocation policy.** It is apparent to us that Turtle Beach's multi-year capital allocation history has categorically failed to the detriment of stockholder returns and warrants an immediate reassessment to stem operating losses and ensure the maximization of stockholder value going forward.
- **There is a clear opportunity to improve corporate governance and replace the current Board.** As demonstrated below, the Board has a history of egregious governance missteps that we believe have destroyed stockholder value and impaired the Company's credibility with investors.

WE BELIEVE THE BOARD HAS DEMONSTRATED EXCEEDINGLY POOR CORPORATE GOVERNANCE

Based on our engagement with and evaluation of the current Board's experience and track record, we see several issues:

- **We believe the Board has willfully ignored its fiduciary obligations.** While Turtle Beach's management team has continually mismanaged the business and stockholders have experienced dismal returns over the past eight years, the Board has repeatedly approved incredibly large compensation packages for senior executives and the sitting directors, leading us to question the Board's alignment with stockholders and commitment to the success of the Company.
- **The Board hastily rejected our acquisition offer and refused to meaningfully engage with us.** The Board outright rejected our \$36.50 per share initial offer and our revised \$32.86 per share revised offer and has refused to engage with us in a constructive manner to date. In fact, on five separate occasions since the submission of our revised offer, we requested that the Board sign a standard non-disclosure agreement and allow us access to complete confirmatory due diligence. However, on each occasion, the Board refused our request. We believe such intransigence simply highlights the entrenched nature of the current Board and management team.
- **We are concerned the Board suffers from a lack of objectivity.** Four out of five of the current independent directors were appointed during Mr. Stark's time as CEO and a member of the Board, leading us to question whether they have the objectivity necessary to properly evaluate the Company's performance and strategic direction and provide effective oversight. Various inter-Board relationships also concern us as we believe their decisions may be impacted by motives other than stockholder value creation. We also find it concerning that Mr. Stark holds the combined Chairman and CEO role given that an essential role of any properly functioning board of directors is to monitor management.
- **The Board's apparent refusal to adopt a universal proxy card for the 2022 Annual Meeting.** We have requested that the Board adopt a universal proxy card, widely viewed as a best practice in contested elections, because it offers stockholders the ability to vote for their preferred mix of director candidates. In November 2021, the U.S. Securities and Exchange Commission voted to adopt universal cards for contested elections, claiming that universal cards provided "an important aspect of shareholder democracy." While the rule technically does not mandate companies to adhere to the adoption of Universal Cards until after August 31, 2022, we see no reason why Turtle Beach would not abide by the spirit of the newly adopted regulatory requirements at its Annual Meeting mere months before the rule goes into effect. However, the Board has yet to respond to our request.

We believe the Board's highly concerning governance missteps highlight the anti-stockholder, entrenched nature of the current Board and management team. In our view, Turtle Beach needs a refreshed Board with the requisite independence and experience to help initiate a public market turnaround of the Company for the benefit of all stakeholders, ranging from stockholders to customers to employees to gamers.

If Donerail succeeds in obtaining stockholder approval for the election of four (4) or more of the Nominees at the Annual Meeting, then a change of control of the Board may be deemed to have occurred under certain of the Company's material contracts. Based on a review of the Company's material contracts and agreements, such a change of control may trigger certain change of control provisions or payments contained therein as described below.

Pursuant to the Company's First Amendment to Amended and Restated Loan, Guaranty and Security Agreement, dated as of December 17, 2018, by and among Turtle Beach Corporation, Voyetra Turtle Beach, Inc., Turtle Beach Europe Limited, VTB Holdings, Inc., the financial institutions party thereto and Bank of America, N.A., as administrative agent, collateral agent and security trustee for the lenders (the "Loan Agreement"), a change in control occurs if, among other things, there is a change in the majority of directors of the Company during any 24 month period, unless approved by the majority of directors serving at the beginning of such period. Such a change of control under the Loan Agreement would result in an "Event of Default."

Pursuant to the Amended and Restated Turtle Beach Corporation 2013 Stock-Based Incentive Compensation Plan, as amended (the "2013 Incentive Plan"), a change in control occurs if, among other things, during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new director whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously approved, cease for any reason to constitute a majority thereof. If a Participant's employment is terminated by the Company without cause upon or within 12 months following a change in control, then such participant's outstanding awards will become fully vested as of the date of such termination.

Donerail is submitting a letter to the Company requesting that the Board exercise its ability under the Loan Agreement to approve Donerail's Nominees for the sole and limited purpose of avoiding an "event of default" under the Loan Agreement in the event that four (4) or more of Donerail's Nominees are elected at the Annual Meeting.

We do not expect that any of the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed WHITE proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Company's Bylaws, as amended (the "Bylaws") and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominees, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and shares of Common Stock represented by the enclosed WHITE proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Donerail that any attempt to increase the size of the current Board or to classify the Board constitutes an unlawful manipulation of the Company's corporate machinery.

WE STRONGLY URGE YOU TO VOTE "FOR" THE ELECTION OF THE NOMINEES ON THE ENCLOSED WHITE PROXY CARD

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Company has proposed that the stockholders ratify the Audit Committee's appointment of BDO USA, LLP as the Company's independent registered public accounting firm to audit the Company's consolidated financial statements for the fiscal year ending December 31, 2022 and internal control over financial reporting. Additional information regarding this proposal is contained in the Company's proxy statement.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to vote, on an advisory basis, to approve the compensation of the Company's Named Executive Officers in accordance with the rules of the Securities and Exchange Commission (the "SEC") and Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Accordingly, the Board recommends that stockholders vote in favor of the following resolution:

"RESOLVED, that the stockholders approve the compensation of the Company's Named Executive Officers as disclosed in the "Executive Compensation" section of this Proxy Statement pursuant to Item 402 of SEC Regulation S-K, including the executive compensation tables and related disclosures."

As discussed in the Company's proxy statement, the results of this advisory vote are non-binding, but, to the extent there is any significant vote against the Named Executive Officer compensation, the Company will consider the stockholders' concerns and will evaluate what, if any, actions are necessary to address those concerns.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, Donerail believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed WHITE proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees, **FOR** the ratification of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022, **AGAINST** the compensation of the Company's named executive officers and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting, as described herein.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate six candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only the Nominees. Accordingly, the enclosed WHITE proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. The Participants intend to vote the Donerail Group Shares in favor of the Nominees. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve as directors on the Board with the Nominees who are elected.

While we currently intend to vote all of the Donerail Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Donerail Group Shares for some or all of the Company's director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Donerail Group Shares for some or all of the Company's director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Donerail Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand, however, that all shares of Common Stock represented by the enclosed WHITE proxy card will be voted at the Annual Meeting as marked.

The Company has disclosed that the Annual Meeting will be held exclusively online via a virtual meeting format only via the Internet. QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present virtually at the Annual Meeting or represented by proxy. Thus, the holders of approximately 8,239,487 shares of Common Stock must be present virtually or represented by proxy at the Annual Meeting to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you are present virtually at the Annual Meeting. If there is no quorum, either the Chairman of the Annual Meeting or the holders of a majority of shares present virtually at the Annual Meeting or represented by proxy may adjourn the Annual Meeting to another date.

Abstentions, withhold votes and "broker non-votes" are counted as shares present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under applicable rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail, the Internet, by telephone or by virtually attending the Annual Meeting in order to be counted in the determination of a quorum.

VOTES REQUIRED FOR APPROVAL

Election of Directors — According to the Company's proxy statement, the affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. Therefore, the six nominees receiving the highest number of affirmative votes will be elected as directors of the Company. Abstentions and broker non-votes will have no effect on the election of directors.

Ratification of Appointment of Independent Public Accounting Firm — According to the Company's proxy statement, the ratification of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022 requires the affirmative vote of a majority of the shares present virtually or by proxy and entitled to vote at the Annual Meeting. Abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether this proposal has been approved and, therefore, abstentions have the same effect as negative votes. Broker non-votes will have no effect on the outcome of this proposal.

Advisory Vote to Approve the Company's Named Executive Officer Compensation — According to the Company's proxy statement, the advisory approval of the Company's Named Executive Officer compensation requires the affirmative vote of a majority of the shares present virtually or by proxy and entitled to vote at the Annual Meeting. Abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether this proposal has been approved and, therefore, abstentions have the same effect as negative votes. Broker non-votes will have no effect on the outcome of this proposal.

Under applicable Nevada law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your WHITE proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Donerail's recommendations specified herein and in accordance with the discretion of the persons named on the WHITE proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

You may change your vote or revoke your proxy at any time prior to its exercise by virtually attending the Annual Meeting and voting in person (although virtual attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy), by voting again by telephone or through the Internet, by delivering a written notice of revocation, or by signing and delivering a subsequently dated proxy which is properly completed. A written notice of revocation may be delivered either to Donerail in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Company at 44 South Broadway, 4th Floor, White Plains, New York 10601 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Donerail in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Saratoga may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE NOMINEES, PLEASE FOLLOW THE INSTRUCTIONS TO VOTE BY INTERNET OR BY TELEPHONE ON THE ENCLOSED WHITE PROXY CARD. ALTERNATIVELY, IF YOU DO NOT HAVE ACCESS TO THE INTERNET OR A TOUCH-TONE TELEPHONE, PLEASE SIGN, DATE AND RETURN THE ENCLOSED WHITE PROXY CARD TODAY IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Donerail. Proxies may be solicited by mail, facsimile, telephone, telegraph, electronic mail, in person and by advertisements. Solicitations may also be made by certain of the respective directors, officers, members and employees of Donerail, none of whom will, except as described elsewhere in this Proxy Statement, receive additional compensation for such solicitation. The Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as a director nominee.

Donerail Group has entered into an agreement with Saratoga for solicitation and advisory services in connection with this solicitation, for which Saratoga will receive a fee not to exceed \$150,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Donerail has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Donerail will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Saratoga will employ approximately 20 persons to solicit stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Donerail. Donerail estimates that through the date hereof its expenses in furtherance of, or in connection with, this solicitation are approximately \$[_____]. Costs of this solicitation of proxies are currently estimated to be up to \$[_____] (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). The actual amount could be higher or lower depending on the facts and circumstances arising in connection with the solicitation. Donerail intends to seek reimbursement from the Company of all expenses it incurs in connection with this solicitation. Donerail does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

However, in the event that the Company does not hold an annual meeting of stockholders in a given year or if the date of the annual meeting of stockholders is changed by more than thirty (30) days from the date of the preceding year's annual meeting of stockholders, notice by the stockholder must be delivered not earlier than the close of business on the ninetieth (90th) day prior to such annual meeting and not later than the close of business on the later of the sixtieth (60th) day prior to such annual meeting or, in the event public announcement of the date of such annual meeting is first made by the Company fewer than seventy (70) days prior to the date of such annual meeting, the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company.

SCHEDULE II

The following table is reprinted from the Company's revised preliminary proxy statement filed with the Securities and Exchange Commission on April 18, 2022.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our Common Stock as of April 7, 2022 for (i) each person who is known by the Company to own beneficially more than 5% of the Common Stock, (ii) each of the Company's current executive officers and directors, and (iii) all of the Company's current executive officers and directors as a group. Other than as set forth below, we are not aware of any other stockholder who may be deemed a beneficial owner of more than 5% of our Common Stock.

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within sixty (60) days after April 7, 2022 are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person. Unless otherwise indicated in the footnotes below, we believe that the persons and entities named in the table have sole voting or investment power with respect to all shares beneficially owned, subject to community property laws where applicable.

Unless otherwise indicated, the principal address of each of the persons below is c/o Turtle Beach Corporation, 44 South Broadway, 4th Floor, White Plains, New York 10601.
