Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On February 21, 2013, the Executive Committee of the Board of Directors of Parametric Sound Corporation (the “Company”), consisting of the four independent directors of the Company’s Board of Directors (the “Board of Directors”), approved, and the Board of Directors subsequently ratified, a Company Cash Bonus Plan (“Bonus Plan”) for the period January 1, 2013 to December 31, 2013, pursuant to which each executive officer (Kenneth J. Potashner - Executive Chairman, Elwood G. Norris – President and James A. Barnes – Chief Financial Officer, Treasurer and Secretary) and certain other officers, consultants and employees of the Company designated by the Board of Directors are eligible to receive a target bonus equal to a percentage of the executive officer’s or other individual’s annualized base compensation if applicable performance objectives are met. The performance objectives recommended by the independent directors and adopted by the Board of Directors are based 25% upon the Company achieving minimum revenue performance targets during the performance period (which is the period January 1, 2013 to December 31, 2013), 25% upon the Company achieving minimum licensing targets during the performance period, 25% based on the Company achieving technology development targets during the performance period established by the Board of Directors and 25% on the Company or its licensees achieving consumer product launch milestones during the performance period established by the Board of Directors. These performance objectives include both objective determinations and subjective determinations to be made by the Board of Directors.

Under the Bonus Plan, the maximum bonus amount payable to the Company’s Executive Chairman is 60% of his annual base compensation, and the maximum bonus amount payable to each other participant, including Mr. Norris and Mr. Barnes, is 50% of his or her annual base compensation. The table below sets forth the maximum bonus amount payable to each of the Company’s executive officers:

Executive Officer	Maximum Bonus Amount
Kenneth J. Potashner - Executive Chairman	\$210,000
Elwood G. Norris – President and Chief Scientist	\$ 81,000
James A. Barnes – Chief Financial Officer, Treasurer and Secretary	\$ 81,000

Any earned bonuses under the Bonus Plan may only be paid to the extent the Company has generated sufficient cash from product sale margins, licensing/royalty collections or other earnings during the performance period equal to or in excess of the amount of the cash bonuses. Such determinations will be made by the Board of Directors. Any portion of earned bonuses not paid will be deferred until such future date that the Company has generated sufficient cash on a cumulative basis to pay such earned bonus amounts.

If, during the performance period, a corporate transaction or event occurs that the independent directors determine has distorted or would distort the applicable performance targets, the independent directors, in their discretion, may adjust the calculation of the performance targets to the extent necessary to prevent a reduction or enlargement of a participant's actual bonus payout.

The amount of earned bonuses, if any, under the Bonus Plan will be determined by January 30, 2014 and paid by March 15, 2014. Each participant must be employed by the Company as of January 1, 2014 in order to receive the bonus, if any, unless otherwise provided in such participant's employment agreement, offer letter or other agreement.

Nothing in the Bonus Plan limits the authority of the Board of Directors or the independent directors to approve and pay out additional or alternative bonuses to the Company's officers or others based on performance or provide the Company's officers or others additional or alternative incentives outside of the terms of the Bonus Plan.
